

MERE MATTERS

AND SO DOES WEST KNOYLE

YOUR COMMUNITY MAGAZINE AND
GUIDE TO LOCAL EVENTS

DECEMBER 2010/JANUARY 2011

DR ANDREW MURRISON, OUR LOCAL MP AND MERE RESIDENT, WRITES

Two big reviews have dominated an eventful term at Westminster.

The Comprehensive Spending Review was disappointing for many because it offered only the barebones of the government's spending plans, so it was quite difficult to calculate accurately how individuals might be affected. Experience tells us that people welcome economies in the abstract, but are less keen when this is extrapolated to their particular case or to areas that interest them specifically. However, there can be little doubt that we need to contain spending, otherwise our children and grandchildren will be paying interest on our debt for decades. I am pleased that health has been protected since the budget has to increase just to allow us to stand still.

The Strategic Defence and Security Review (SDSR) inevitably upset a number of my constituents since our area has a heavy military presence. It upset me, but as the biggest threat to the UK right now is economic, not military, I fully accept the need to find savings especially given the unfunded liabilities the coalition inherited. I am comfortable that the SDSR has been informed by a proper attitude to risk and that as a result of it the UK will remain at the top table. The new treaty with France, our old sparring partner with which in truth we hold many interests in common, can only help to drive down costs, promote collective defence and allow us to protect our individual national interests worldwide. But, be assured that the entente will not extend to sharing an aircraft carrier!

MERE PARISH COUNCIL

The Parish Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you! You can raise questions in a public session before the meeting starts. The next two meetings will be on **Monday, 6th December and Monday 10th January at 7.30pm in the Andy Young Pavilion.**

The Chairman writes:

As I am writing this report, I have just returned from a very wet but well attended Remembrance Sunday service, but what is rain compared to the sacrifices so many people made in those arduous days.

The Parish Council is still awaiting the decision of Wiltshire Council on car parking charges. Sam Squires, George Jeans and myself attended another meeting at Trowbridge, trying to put our case across. We hope that this is not falling on deaf ears!

An officer from Wiltshire Council attended the last Parish Council meeting to talk about the present cut backs and, more specifically, the reduction in service provision for Tourist Information and Customer Services at Mere Library and the basis for making the decision to cut back the service was because, that there was no demand. Wiltshire Council is currently conducting a Library Review and we are advising all parishioners to make use of our wonderful library. Not only do they provide the traditional library services but there are computers available for community use, there are wonderful museum exhibitions, our local neighbourhood police hold regular drop-in meetings and there is a wide range of local information available from the very helpful staff. We encourage you to use your local library.

This year the Parish Council has decided not to purchase a traditional Christmas Tree, but to decorate the living tree in the central island (opposite the Post Office) with low voltage lights. The purpose for this decision is not only to save money, but also to comply with Health & Safety guidelines and we hope that it will be more visible as it can be enjoyed by people travelling both ways through Mere. We will welcome feedback on this in the New Year. The Clock Tower will be lit in the normal manner and we are planning to have all the lights ready for a switching on ceremony on Wednesday, 1st December.

On that note, on behalf of the Parish Council, I would like to wish all parishioners of Mere a very Happy Christmas.

For further information on Parish Council activities, details of meetings and copies of minutes, please go to the Mere website: www.merewilts.org or contact the Parish Clerk, Mrs. Lindsey Wood, ☎ 01747 860701 or e-mail: lindseywood@merewilts.org

Eric Mitchell, Chairman, Mere Parish Council

GEORGE JEANS, WILTSHIRE COUNCILLOR, MERE DIVISION, WRITES

On Sunday, 14th November, I attended The Remembrance Service in Mere where I laid a wreath on behalf of Wiltshire Council. I would like to thank Michael and Maggie Durkee for providing the sound system, which was needed, as those attending extended all around the square. Michael Durkee had to improvise as he found his usual power source missing in the Town Clock and had to find his power elsewhere somewhat quickly. I would also like to thank the Police and Fire Brigade for stopping

the traffic, and all those who made it possible for such an important occasion to take place.

Owing to the financial cuts that are taking place at Wiltshire Council, for some morale is low at present, however be assured that despite all the negative stories in the media, the vulnerable will still take priority.

The full Council have now agreed that councillors, like myself, should normally give a reply to an enquiry within four working days, and normally give a detailed reply in 10 days where possible. However, note the word 'normally'.

I have now visited Bourne Hill, which will be the main Wiltshire Council offices in Salisbury. It has much glass in parts with no air conditioning; temperature control is achieved with exterior shutter doors and special glass. The desk seating is for 320 people when 500 staff may need a desk (Hot desking?). It is hoped that many officers and staff will visit clients, therefore releasing desk space. However, Milford Street is currently the face of Wiltshire Council in Salisbury, and not Bourne Hill. Most other offices in Salisbury will be disposed of eventually.

Early December is when the Wiltshire Cabinet will decide on car park harmonisation. Whatever the outcome, I will do my best to keep Mere free of charges.

Those who have qualified for emergency housing in recent years have not had to use bed and breakfast accommodation. Homelessness is increasing and now it looks like "bed and breakfast" may return as an emergency measure.

County Hall has been the topic of "workplace transformation". I have been asked questions like: "will the new extension have a gymnasium?" Not fully knowing the answers, I have been given the chance to join the "Workplace transformation team" and I have agreed. I will keep you informed.

MERE POLICE NEWS

Priorities

It is likely that with the recent closure of the Camera Safety Unit that 'speeding' will be back on our list of priorities. Just to up-date you in respect of speeding, we now have use of the speed enforcement equipment and will be carrying out local checks.

Consultations and Contacts

To get details of our forthcoming meetings in the Library, please see our section of the police website: www.wiltshire.police.uk and clicking on 'policing in your area' then select 'Mere'.

Good work by Mere Police Team

PC Salter was recently checking the car park at King Alfred's Tower when a vehicle came to his attention. The driver appeared to be acting very suspiciously and he very quickly drove off when he saw the police car. Pc Salter followed the suspicious vehicle to Mere, where it was stopped. The driver was found to have no documents and no insurance, resulting in his vehicle being seized by the police pending possible prosecution. This illustrates that we are always on the look out for any offences, despite being in places for other reasons!

Updates

PCSO Noble and PC Salter are still scheduled to take to the streets of Mere on Saturday, 18th December 2010. Jake will be Head Shepherd in the procession, tending his little flock. Richard will be one of the kings riding Therese, the camel. As previously stated, this is in aid of the Mere "Living Nativity" procession and we look forward to seeing you there to support your community!

We have just commemorated Remembrance Day and were not perturbed by the wet weather on Sunday, 14th at the Memorial Service in the Square. We have just updated our photo slide website: <http://merewilts.org/police/ss/police.html> with some pictures, which were kindly taken by Michael Jeans of Mere.

Lastly, may Jake & I take this opportunity of thanking you all for your kind support throughout 2010. We wish you all a very happy Christmas and best wishes for the forthcoming New Year and this is our last newsletter for 2010!

CHRISTMAS SAFETY ADVICE FROM WILTSHIRE FIRE & RESCUE SERVICE

With winter setting in, thoughts turn to the festive season - Wiltshire Fire & Rescue Service has issued the following advice to help you have a safe as well as happy, Christmas.

- Festive decorations made of tissue paper or cardboard burn particularly easily, so keep decorations and greetings cards away from heaters, lights, fireplaces and candles.
- Most fires start in the kitchen - so never leave festive cooking unattended.
- Ensure that your smoke detectors are working - check them on a weekly basis and don't be tempted to remove the batteries to power any Christmas presents.

- Plan your escape route in the event of a fire and share it with everyone in the house, including guests - and make sure everyone knows where the door and window keys are kept.
- Fairy lights and Christmas tree lights don't get used very often, so make sure they are in good working order before hanging them - and only buy British Standard products.
- Use a residual current device on outdoor electrical equipment - this is a safety device that can save lives by instantly switching off the power if there is a fault.
- Don't let light bulbs touch anything that can burn easily, such as fabric or paper, and don't leave lights on when you leave the house or go to bed.

Candles and night-lights are often used at this time of year. It only takes one candle to put your home at risk, so always take care when using them:

- Make sure you don't put candles in, or by, a Christmas tree, plants, flowers or other foliage.
- Be careful that ribbons, greetings cards and other decorations aren't placed near any candle flames.
- Check that candles are placed out of draughts and away from curtains, other fabrics or furniture, all of which could catch fire.
- Never leave candles unattended.
- Make sure you put out candles before you leave a room and before you go to bed.

Group Manager Perry Payne, from the community safety department, said: "This is the time of year where family and friends get together to celebrate. We don't want to dampen spirits, but we do want to raise awareness of the danger and destruction an overloaded socket or an unattended candle can cause. By following these simple tips, hopefully we can all enjoy a peaceful festive holiday that is safe from fire."

MERE WEATHER

The rain fall for October was 57mms (2.24ins). Last year it was 83.5mms (3.29ins). We had frost on the 21st. There was no rain from the 5th to the 21st with sunny days and a cold wind.

November started wet as usual for Guy Fawkes night. Up to the 14th we had 78mms (3.07ins) Last year we had 243.5mms (9.59ins) for the whole month. Remembrance Sunday on the 14th was wet with a sea of umbrellas at the service by the Clock Tower, but so far the month has not been as cold as usual. A Merry Christmas and Happy New Year to all readers.

MERE SURGERY

Message in a Bottle

The 'Message In a Bottle' scheme is a simple idea designed to encourage people to keep their personal and medical details on a standard form and in a common location - the fridge. It was originally the idea of a policeman 12 years ago and it has been adopted by the Lions Association. They distribute a small distinctive plastic container, which is recognised by the three emergency services. The form in the container needs filling in to include your medical details, allergies, details of your next of kin and any pets you have. A sticker is placed both on the outside of the fridge and inside the front door by the lock, indicating to paramedics that "a message in a bottle" can be found in the fridge.

It is clearly useful for paramedics to know your medical details if a situation should arise where you became very unwell at home. It also highlights a pet needing attention if you should then be taken to hospital. It is aimed mostly at patients who live alone.

Free bottles, donated from the Lions association, can be collected from the Mere Doctors Surgery or Mere Pharmacy.

MERE RESIDENTS CALLED UPON TO HELP SAVE LIVES

St John Ambulance and the Great Western Ambulance Service (GWAS) are launching a campaign to set up a new Community First Responder (CFR) group in Mere.

Community First Responders are members of the public living within a designated area who are trained in crucial life-saving first aid by St John Ambulance. Equipped with a defibrillator, oxygen and a first aid kit, the groups respond to high priority calls in their local area. They are dispatched at the same time as the emergency services, but are often able to reach casualties more quickly as they are already in the vicinity.

"The first few minutes can often be crucial," said Steve Smith, CFR Support Officer for St John Ambulance in Wiltshire. "If someone's heart stops, they are 60% more likely to survive if their heart is defibrillated within three minutes of collapse". Julia Doel, GWAS Operational Support Manager for Community First Responders in Wiltshire, said: "CFR schemes are all about saving lives. By ensuring patients suffering immediately life-threatening emergencies receive essential first aid in the first vital minutes while an ambulance is en route".

There are over 100 existing CFRs in Wiltshire who respond to around two hundred 999 emergencies every month. GWAS has long enjoyed an excellent working relationship with St John Ambulance and the proposed new schemes will mean patients in these

areas rapidly get the help they need in a medical emergency. The partnership is based on a similar working model in Gloucestershire, where St John Ambulance runs all CFR schemes on GWAS's behalf.

Anyone interested in joining the Mere scheme should call Steve Smith ☎ 07827 956366. *Helen Pearson, St John Ambulance Wiltshire, ☎ 01380 738917*

REV'D PAUL BARNES, VICAR OF ST MICHAEL'S PARISH CHURCH, WRITES:

When a non-religious friend of mine told me he had attended the most amazing Christmas service which, in his words, moved him deeply and made sense of the Christian faith in a way nothing else ever had, I was very keen to know more.

The service he had attended began in someone's kitchen where the smell of newly baked bread hung in the air, moved on to her partner's workshop (their garage!) where the scent was a mixture of engine oil and wood shavings. A short walk to the village pub (and a swift pint) came next, and the service concluded in the very cold and pungent surroundings of the neighbouring farm's cattle shed.

You have probably guessed why the service took place in those particular venues.

In the kitchen they heard about the Angel Gabriel's visit to Mary and her 'yes' to God's plan that she would be the mother of a special child who would change the course of human history. In the workshop, they met Joseph angrily sawing a piece of wood as he

tried to come to terms with the shocking news that his betrothed was 'with child'. In the crowded public bar they saw Joseph and his now heavily pregnant wife being ejected into the cold night because there was no room for them. And finally in the cattle shed they heard of a birth and amidst the noise of the cattle a real baby was laid in a manger.

When we retell the Christmas story in a centrally heated and candle-lit church we lose a great deal of the reality of that event, it almost becomes like a child's bedtime story, designed to make us feel warm and comfortable and safe. But when the Christmas story is told out of doors it enters the real world that we live in and helps us start to make sense of what it meant for God to become one of us, to experience the laughter and tears, the joys and pains of life here on earth.

On Saturday, 18th December, we are taking the Christmas story onto the streets of Mere in the hope that we might hear that story afresh and it might become more 'real' for us. Our 'Living Nativity' will begin at 5.30pm at Fives Court in Angel Lane, from where we will take a short journey around the centre of the village, including a visit to a pub, before returning to Fives Court. To add to the authenticity of the event we are going to be joined by a donkey and a camel both of whom have important roles to play. But we would also like you to enter into the spirit of the event by dressing as a resident of first century Bethlehem, or as a shepherd, a wise man or even if you dare, an angel! (Wouldn't it be superb if we could fill Angel Lane with angels!!) It would also be great if it were not only the children who 'dressed-up' but also the adults.

There will, of course, be many other opportunities for you to hear the Christmas story and sing wonderful carols during this festive season, and all the local churches have listed their services and events here on the centre pages (20 & 21). However you celebrate this special time, I pray that God's beloved Son will bless you and your families with peace and joy this Christmastide and all through the coming New Year.

LINKSCHEME LITERARY FESTIVAL

As the dust settles on the 2010 Mere Literary Festival (MLF), a brief update since last month's report.

- Speakers have said how much they enjoyed visiting the MLF. Jill McGivering wrote that she was 'so pleased to meet such a supportive and engaged audience.'
- £150 was collected for Help for Heroes at the Afghanistan evening.
- Figures for the money made for Link are not yet finalised, but it looks as though we may be slightly down on previous years.
- If you missed the MLF banner, this was due to a Fire Service ruling, which banned our local firemen from erecting it and thus invalidated the insurance. Our apologies to MLF's major sponsors –Nectar Imports and WKD Events.
- If you missed the events, please remember the MLF raises funds for your local charity. As cuts in public services get ever deeper, the volunteer services of the Mere & District Linkscheme are likely to become even more important to the community.
- The Linkscheme appreciates the support of all the clubs and societies who took note of the festival dates and ask all organisers to note that the 2011 festival takes place: **10th-16th October.**

- Next year will see the return of the international Poetry Competition and the involvement of our readers in the judging process.
- Once again, thanks go to all who supported the festival in any way and thus helped the work of the Linkscheme in our community.

CHRISTMAS AT BRAINWAVE

MERE FILM SHOWS

'Letters to Juliet' (PG) is the film on Thursday, 2nd December and whilst it is a lovely, happy, romantic film, the real star is Italy itself with its glorious scenery and it is described as a 'visually stunning film'. It has been very much enjoyed by Moviola audiences, so come to the film and be transported away from the cold English winter to the warmth of the Italian sun!

On Friday, 14th January 2011, we will be showing the new Mike Leigh film 'Another Year' (12A), which has only just been released, and we are very pleased to be able to show this so soon. The critics have been unanimous in their praise for this film, which has wonderful performances from a cast headed by Jim Broadbent, Lesley Manville and Ruth Sheen and with Imelda Staunton. A married couple who have managed to remain blissfully happy into their autumn years are surrounded over the course of the four seasons of one average year by friends, colleagues and family who all seem to suffer some degree of unhappiness. More details for both films are on page 28.

Dates for your diary: Friday, 4th February 2011: title to be confirmed. Friday, 18th March: 'The King's Speech'.

Yes, we did find our three remarkable women last month. They were Mrs Adelaide Hoodless who started WI in Canada in 1897, Mrs Madge Watt who helped to form the first WI in Britain in 1915 at Llanfair PG, Anglesey, and the third was Lady Denman, the first Chairman of the WI. Her name was given to Denman College, our Adult Education College in Berkshire.

Our December meeting, at 7.30pm on Thursday, 2nd December in the Grove Building brings Christmas nearer with our Christmas Celebrations and in January we planning to have a New Year lunch. It will be back to normal meetings in February when we hear about Salisbury – "A Tale of Two cities".

ROSEMARY GODDARD CENTRE

(Mere & District Day Centre, Lynch Close, Mere)

10.30am - 3.00pm on Mondays and 10.30am - 4.00pm on Fridays

The Rosemary Goddard Centre is a very special place. One of the things that makes it so special are the wonderful volunteers, who provide help with the Guests, bringing lunches from Fives Court, washing up and transport some Guests. All this support is done with commitment, reliability and love. Without the volunteers' support, the Rosemary Goddard Centre could not exist.

The Centre provides companionship, stimulation, joy and support to those of us who live on our own. Whatever your background, religion, colour or passion, it is all there at the Centre. However, we have a problem: many of our volunteers are as old or older than our Guests and, guess what - they want to retire and join us at the Centre as Guests because it is such fun to be there.

But we need YOU. So if you are in your fifties or early sixties or younger we need your help to make sure that the Centre continues - so that when the children of the sixties era are 70, 80, 90 or 100 years old, the Centre will still be there for them.

If you are prepared to give an hour or two a month to help at the day centre, please ring Lynette ☎ 01747 861646 and **become one of our valued volunteers.**

If you have missed the Rosemary Goddard Centre's Christmas Quiz at the Charities Fair and would like a copy, it is available from Mere Information Point in the Library, or from Caroline Cook (☎ below). *Lynette Elliott, Organiser, ☎ 01747 861646*

Our first Meeting in December will be on Wednesday, 1st December. At our next, on Thursday 9th, as well as sewing there will also be a Christmas Afternoon Tea to enjoy. The first meeting of the New Year is on Thursday 13th January from 10.30am to 4.30pm to enjoy a day of sewing with warming soup and fresh bread for lunch.

We are pleased to have some members from Silton, Maiden Bradley and Gillingham, so if you are interested in joining us and live a little further afield, do get in touch.

MERE MUSEUM

Our 'Money' exhibition is now in its final days, so if you haven't had a look, especially at the newly discovered coins, now's the time! In the New Year we are launching what we hope will be a very exciting exhibition, called 'Preserving the Past for the Future'. It will be about the conservation of museum artefacts, featuring many items from our collection that have been preserved, alongside objects from other Wiltshire Museums. There will also be a display from the Wiltshire Museums Conservation Service showing,

by means of tools and photographs, some of the processes and techniques their skilled conservators use to help preserve evidence from the past for posterity. The new exhibition will open to the public on **Wednesday, 5th January 2011**. Watch out for posters!

Jenny Wilding ☎ 01747 860908

MICHAEL TIGHE

On behalf of everyone who is associated with Mere Museum, I should like warmly to acknowledge the enduring support given to the Museum by the late Michael Tighe. His dedication to meticulous research into the history of the town in which we live, and to making his many discoveries available to everyone through his publications and talks, place him alongside T H Baker as the greatest of Mere's historians. The dedicated support he unflinchingly gave to the Museum and to the Friends of the Museum will always be remembered.

Jenny Wilding ☎ 01747 860908

FRIENDS OF MERE MUSEUM

Friends should note that there will be a preview of the new exhibition (see Museum notice) on **Tuesday, 4th January at 6.30pm**. We are always glad to welcome prospective new members on these jolly occasions! Meanwhile, a Happy Christmas to everyone; we hope to be able to wish you health and prosperity in 2011 in person, early in the New Year!

MERE CROQUET AND BOULE CLUB

Our eventful, and most satisfactory, season has finally drawn to a close. The unseasonable warmer weather allowed play to continue right into November.

Membership has grown and so has the enthusiasm, some very competent players have emerged.

Thanks to a great deal of hard work put in by the contractor, A. Cleal; our Chairman, Julian Mackie and his family coupled to the invaluable support of Councillor George Jeans in securing grants, we now have a fully operational Boule Court. The planned disabled access work has been commenced and will be completed during the closed season, as will other ground improving maintenance.

Next year appears set to be a good one for us. We look forward to welcoming new and existing members to take advantage of the additional facilities.

There will be a Get Together held at a local hostelry on Thursday 24th February 2011, when members and anyone interested in becoming involved will be warmly welcomed. Further details will be publicised in due course.

Please contact me for further information.

Closure Consultation Update

Well, I wish there were something to put under this heading following my article in the last edition of Mere Matters. However, after being told on September 30th by Wiltshire Council that they intended to consult on the closure of the Children's Centre in Mere, we have heard nothing more. As always, by the time you read this, there may have been some progress. I assure you that I have noted everyone who has said that they want to take part in the consultation, and we will be in contact as soon as there is anything to update you on!

What else

Despite the distraction and lack of clarity around our future, the team of Sandra, Jane Smith and Kate have kept well focussed on providing services to you all, both in the centre and across our region, and we are currently putting final touches to our Christmas/January Programme. Danielle is due to return from maternity leave soon too, and has dropped in and already started making her contribution to activities.

We continue with **Bumps and Babes** on Monday mornings not least because of the mini baby boom in our area right now. This is proving a popular session for sharing new baby information with other mums in a friendly environment. Of course, any dads out there holding the baby will receive a warm welcome from us too! On Monday, 6th December and a date to be confirmed in January, Nursery Nurse, Sandie, joins us for baby weighing.

The **Sustainable Living Programme** run by Wiltshire Wildlife Trust on Tuesdays mornings will offer:

Food and Drink Tuesday, 30th November

Energy Tuesday, 7th December

Travel Tuesday, 14th December

Gary Lamont runs the session and brings lots of FREE, exciting, environmentally-friendly and money-saving products and tips for you to try at home – come and see what's available!

Crafty Kids on Wednesday mornings is always well-attended, providing opportunities for the little ones to get involved in crafty activities which can be transferred home, but you can just do it here so no messy house for you!

MERE SCHOOL

November 2010

Music week took place just before half term. The whole school took part in a performance of 'The Trojan Horse'. The company, 'Musical Storytime', came to help us. The year 5s confidently lead the show as the year 6s were away at Pencelli. Some of the school were Trojans and the rest were Greeks. We all enjoyed music week and had such fun.

On 20th October, Ten year 5 children went to a tag rugby tournament at North Dorset Rugby Club. We played four games all against year 6s, but did really well and came joint 2nd. We all played very well and the school was proud of us.

Mere Museum ran a competition to make a poster of our favourite old things in Mere. Joanna Ford was the winner and won £20. Evie Rich was second and Caroline Pundsack third. Bradley Simmons won a book for being highly commended. All the posters are on display in the library. Mrs Loxton and five children have also visited Mere Museum to choose some new artefacts for our museum display cabinet at school. Dr Longbourne told the children about the things to help us decide the ones we were going to bring back.

We have had a lot of football success lately. We beat Wyke Primary School 2-0 in the cup competition when Tom Harvey scored two brilliant goals. In the next round, we played Stour Provost and won 6-0 with goals scored by George Gould, Harry Bateson, Jani Guy-Knapp and Danny Harkin.

Some of our children have take part in a cluster Forest Schools workshop at Semley School. They had a great time and some of us made a story map from whatever we found in the forest. We also played a game of wooden skittles!

The week before half term year 6 went to Plas Pencelli. We had loads of fun doing different activities - adventure walking, canoeing, exploring, problem solving, climbing, pot-holing. We all had a great, and exhausting week, but were very excited to see our parents (this is a much edited version of our adventures!).

THE MERE CHRISTMAS CHARITIES FAIR 2010

A huge vote of thanks to everyone in Mere and the surrounding villages who supported this year's Charities Fair. It is the one event in the year at which we raise funds for the Grove Building. Thanks to your generosity, we have made the splendid sum of £859.68. This is a valuable contribution towards the maintenance and running cost of this priceless amenity, which is enjoyed by the whole community.

My thanks also to my fellow committee members, their families and friends, without whose ceaseless efforts the Fair could not be staged.

Peter Knapp, Chairman, Grove Building Management Committee
