## MERE PARISH COUNCIL

The Parish Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. The Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you! You will be permitted to raise questions in a public session before the meeting starts. The next meeting will be held in the Andy Young Pavilion at 7.30pm on **Monday, 5th November 2012**.

### The Chairman writes:

At a recent meeting our Parish Clerk confirmed to councillors that the Defibrillator is now installed on the wall near the Castle Street Car Park and registered with the ambulance computer system. The Parish Council is very grateful to the Rev'd Judith Thompson of Barton Lane, for carrying out the necessary weekly checks on the Defibrillator; also to Mr. and Mrs. Gillard for allowing the use of their electricity supply; to Councillor George Jeans for installing the Defibrillator free of charge and to those whose donations have helped so much in the acquisition of the Defibrillator.

Over the past month the routine of the Parish Council has continued with consultation on planning applications and financial matters, updates on the Higher Level Environmental Stewardship Scheme for Long Hill and Castle Hill – all of which is going well – and consideration of various meetings to be attended, including the South West Wiltshire Area Board Meeting, a participatory consultation event with the Gillingham Neighbourhood Plan and a Core Strategy Consultation on Wind Turbine Separation Distances (*distances away from property and between turbines*).

On Sunday, 14th October I attended the Prizegiving and finale of Mere Literary Festival at the end of a week of thoroughly entertaining and informative events. The Literary Festival has become such a highlight of Mere's calendar over the last sixteen years and it gave me great pleasure to congratulate and to thank on behalf of the Parish Council – and I am sure a great many of our parishioners – not only the Festival organizer Adrienne Howell and her Festival Committee, but also all those who helped behind the scenes in so many ways to make the week such a success in raising very necessary funds for the Mere and District Linkscheme. I am now looking forward to next year!

For further information on Parish Council activities, details of meetings, and copies of minutes, please go to the Mere website: [www.merewilts.org](http://www.merewilts.org) or contact the Parish Clerk, Mrs. Lindsey Wood, ☎ 01747 860701 or ✉ [lindseywood@merewilts.org](mailto:lindseywood@merewilts.org)

## GEORGE JEANS, WILTSHIRE COUNCILLOR, MERE DIVISION, WRITES

As mentioned last month, the Literary Festival showed some memories of this Summer's Royal Jubilee, in Mere, West Knoyle, Zeals and Kilmington, on Friday, 12th October, in the Grove Building. Many have asked for a DVD of this presentation and Andrew Holder who edited video contributions from many people, including me, has agreed to try and arrange for some DVDs to be made and put on sale, with any profit going to the Literary Festival.

Mere Chamber of Trade is to improve the tourist signs on the A303 and B3092. Wiltshire Council's South West Area Board is looking for projects to part fund that will encourage economic development, and Mere Chamber of Trade will be making an application to the Area Board for help towards this signing project, and possibly for other initiatives also.

On the Wiltshire Website, under Councillors, I am listed and it states that I have attended 80 percent of meetings. There are those who it is stated have attended less. The figures are for full Council meetings and main committees only. For example, I belong to The Southern Area planning committee, which affects my percentage of attendance, if I miss a meeting it counts against my percentage of attendance. Should I choose to leave the committee then it would appear I had a higher percentage of attendance because my occasional absenteeism would not show from that committee. I attend many meetings as I sit on task groups and project boards etc., which do not count towards my percentage of attendance. When other meetings clash with committee meetings that would increase my percentage of attendance I attend meetings based on their importance to me, for example that may be a project board or a local Parish Meeting. I think this amplifies why statistics are not always what they appear to be.

I am mentioning this website address again this month for those that did not read my article in last month's edition: [southwestwiltsblog@wiltshire.gov.uk](mailto:southwestwiltsblog@wiltshire.gov.uk). The site may interest you. It is an information and blog site for you all in this area.

Remember it is your chance to vote on the 15th November 2012 for a **Police and Crime Commissioner** (PCC) for Wiltshire. These will be elected for each of the 41 police areas in England (excluding London) and Wales. (See Stop Press page 37 –Ed)

I am pleased to report I have been chosen to sit on The Community Infrastructure Levy (CIL) task group which will affect how this levy will impact. For those who did not read my article in the October issue of Mere Matters, or to refresh your memory, a CIL is a new charge that local authorities in England and Wales can choose to impose on development in their area. The money generated through the Levy will contribute to the funding of infrastructure to support growth. CIL will contribute towards bridging the

'funding gap' between the total cost of infrastructure necessary to deliver new development and the amount of funding available from other sources. It should be noted these CILs might be on commercial development as well as domestic; therefore the sums involved could be large. This may be good for some, however in the rural area such as us, some businesses could be deterred from starting, etc. The cost of all this will impact on housing and business.

I am sure many of you know, it appears that South West Coaches intend removing several services. These services are not subsidised, therefore they are subject to market forces and Wiltshire Council have no control over them, apart from issuing bus passes for use on the service. The effect will be no bus to Poole from Mere, no bus to Salisbury on a Saturday and therefore anyone wishing to visit the hospital and use a bus from Mere on a Saturday will not be able to. The Sturminster Newton and Warminster services will also be affected I understand. I have informed The Wiltshire portfolio holder hoping some intervention may be possible.

## OIL BUYING SCHEME

Community First has joined together with other Rural Community Councils to form part of an oil buying syndicate across all of England. Our members are currently seeing significant savings on their heating bills which you can benefit from by joining the scheme. There is an annual membership fee of £20 which you should get back on your first order, and works out at less than £2 a month. Community Buildings can join for £30 a year & businesses for £100.

CF Oil, Wiltshire's Community Oil Buying Scheme has now been running since October 2011, with just over 199,000 litres of oil purchased between its members. Compared to the average price for heating oil in Wiltshire, our members have overall made a saving in excess of £10,000 whilst compared to the highest prices this rises to over £20,000.

Ordering is simple, once a month members will receive an email reminding them of the next oil order date and the deadline for when orders need to be received at the CF Oil offices. For members not on email, they will receive a telephone call asking if they need to order oil. Our negotiators (who are very experienced within the oil industry) then go to the market to negotiate the best possible price for that day. Members will then be paying the oil supplier directly after receiving an invoice from them.

## **SAFETY NOTES FOR BONFIRE NIGHT**

### **FIREWORKS**

Bonfire Night, 5th November, will soon be upon us and the Wiltshire Fire & Rescue Service remind us that "Fireworks are dangerous and can be lethal".

They remind us of the law that no person under the age of eighteen years shall possess an adult firework in a public place, which includes any place to which the public have or are permitted access, whether on payment or otherwise. However, the term "Fireworks" excludes: a cap, cracker snap, novelty match, party popper, serpent, sparkler or throwdown.

The utmost care is necessary in their storage, handling and use, whether you are organising a display for the family, friends or the general public. Wiltshire Fire & Rescue Service want you to have a safe event by following some simple do's and don'ts that will greatly reduce risks.

### **Fireworks "do's and don'ts"**

- Keep fireworks in a closed metal box and take them out one at a time.
- Follow the manufacturer's instructions on each firework. Read them by torchlight – NEVER a naked flame.
- Light fireworks at arm's length using a safety firework lighter or fuse wick.
- Stand back after lighting.
- NEVER go back to a firework once lit – it may go off in your face.
- Keep a bucket of water handy.
- Used fireworks should be collected after the display with care. Douse with water, bury or place in a metal container.
- Keep children under control. (See BONFIRES below)
- Keep pets indoors.

### **BONFIRES**

Bonfires present additional hazards when it's dark.

### **Bonfire "do's and don'ts"**

If you must light a bonfire, in connection with a fireworks display, then:

- Site well away from houses, garages, sheds, fences, overhead cables, trees and shrubs AND ALWAYS AWAY FROM FIREWORKS.
- Before lighting the fire check that no pets or children are hiding inside it.

- Build the stack so that it is stable and will not collapse outwards or to one side.
- NEVER use flammable liquids – paraffin or petrol – to light the fire.
- Don't burn foam-filled furniture, aerosols, and tins of paint or bottles.
- Keep everyone away from the fire – especially children, who must be supervised all the time.
- For an emergency keep buckets of water, garden hose or a fire extinguisher ready.
- Pour water on the embers before leaving.

## Disposing of Fireworks

If a firework is completely spent after a display etc, this should be disposed off firstly in a bucket of water then, preferably the following day, can be put into a rubbish/waste bin.

If the firework for some reason has not gone off correctly or is not spent these should be preferably dampened/soaked and then securely stored, and help from the supplier/manufacturer should be sought to dispose of the firework.

Anyone wishing to obtain further fire safety advice should contact the Wiltshire Fire & Rescue Service Community Fire Safety Helpline ☎ 01380 731119.

## WILTSHIRE POLICE

### Non Emergency Number Update

The 101 non-emergency number was launched in Wiltshire last September (2011) as part of the national roll-out. Our 0845 408 7000 contact number has been running alongside this number with approximately 40% of calls still coming in via this route, however, 0845 408 7000 ceased operation on

30th September 2012.

### When should callers use 101?

The 101 national number gives local communities an easy way to contact police - when it's less urgent than 999. In a non-emergency dial 101 if you want to report a crime/issue that does not require an immediate emergency response and:

- you or someone else are not in immediate danger
- you would like to speak to your local police officer
- you want to provide information about a crime.

It is important to reiterate that 999 is still the number to call when you want to contact the police in an emergency, such as:

- you need an immediate response because a crime is in progress or you think it is
- you or someone else is injured or there is a threat to life
- a serious road traffic collision has taken place

- violence is being used or threatened.

### **How does 101 work?**

101 is available 24 hours a day, 7 days a week. When someone calls 101, they will hear a recorded message announcing that they are being connected to their local police force. The system will determine the caller's location and connect them to the relevant police force. If a caller is on a boundary between two or more forces, the recorded message will give them a choice of which force to be connected to. After a pause of approximately four seconds, the message will also give the caller the option to select an alternative police force of their choice via an operator.

### **What will happen to the current 0845 408 7000 number?**

The 0845 number ceased on 30th September 2012. A recorded message asks people to re-dial 101.

### **Can deaf, hard of hearing or speech impaired people use 101?**

People who are deaf, hard of hearing or speech impaired can text-phone 18001 101.

### **Is it more expensive for the public to contact the police on 101?**

Individual telephony companies currently decide on the cost of dialling an 0845 number so it depends on what the contract/supplier opted for. With 101 it has been nationally agreed that a flat rate of 15p will be charged whether a member of the public is calling from a landline or mobile, irrespective of how long their call lasts.

## **‘MERENEIGHBOURS’ NEWS**

### **Milk Thefts**

Mere has recently been suffering again from doorstep thefts of milk in the early hours of the morning. If any local residents have information surrounding these thefts please contact PCSO Noble or PC Salter – Dial 101.

### **‘Trick or Treat’ and Fireworks**

In recent years, Halloween has become a major event amongst young people with dressing up, parties and the imported ‘Trick or Treat’. It is important to understand the difference between having fun and behaving in an anti-social manner, and to be aware of the dangers that could be met whilst trick or treating. If children are under 14, it is advised that parents or other adults accompany them and that they only call on houses where they know the residents. Older children should not call on people who display posters asking for NO TRICK OR TREAT. Throwing eggs and other items at houses can, in certain cases, be classed as criminal damage and result in arrest.

Bang after Halloween comes firework night. Fireworks may be pretty when handled by a trained person, but they can cause truly horrific injuries if not handled or used

properly. It is an offence for any person under 18 to have a firework in a public place, and for some larger fireworks it is an offence for any person to possess them. Police will deal robustly with any person breaking the law. There are many well organised community firework events across Wiltshire that provide a fun filled and safe night out for the whole family. ## **MERE CARNIVAL 2012**

I would like to thank all members of the Carnival Committee (Jenny Walker, Sue Jeans, Mary Harbet, Chris Miles, Gillian Brignell, Carol Payne, Roy Sims, John Gammie, Mark Cassidy and Derek Sealey) for their hard work and commitment throughout the year. Without their dedication there would be no carnival. As most people are aware, carnivals have become very expensive to hold with insurance, appearance fees, street collection licence, lottery licence, Health and Safety and road closures etc. a legal requirement, and the cost of running Mere Carnival is approximately £4,500.00.

This year's street collection was £1,055.00 but the short fall is made up from numerous events that we hold throughout the year and throughout Carnival week. Our small committee try each year to come up with new ideas to raise funds and in recent years this has been helped greatly by Mark and Sam Cassidy of the Walnut Tree Inn whose ideas and events have been invaluable.

We as a committee are always looking for volunteers either to join the committee or just to help out as sometimes we struggle to hold events because we are so few in number. Anyone who has either ideas for fundraising or can find some spare time to help us would be most gratefully welcomed - please contact Carol Payne ☎ 01747 861639 or ✉ [luciechesh@hotmail.com](mailto:luciechesh@hotmail.com).

### TRUSSELL TRUST

As I write, the weather is coming down in bucketfuls, but that is not as bad as Bulgaria, where it comes down as snow and is freezing cold!

On the 25th November we will have the great gathering of the Christmas Shoe Boxes in St Michaels church, so would you please deliver them there, either at the morning service ,or just put them in the church a day or two before.

From there, I will take them to Salisbury, where they are checked and boxed and put on the lorries and off they go on the long trip to Bulgaria.

When they get there, they are loaded into vehicles and the Trussell Trust members take them straight to the communities where they are so, so appreciated. It is the only nice gift that most people receive all the year. Your kindness and thoughtfulness in making up these boxes makes somebody very, very happy.

Thanks to everybody who has already taken a leaflet and is joining with us to make this a Christmas to remember, for a forgotten person in Bulgaria.

## TRAIDCRAFT FOR CHRISTMAS

More than just a stall! I will be holding the first of my Christmas Traidcraft Stalls at the Methodist Church Schoolroom on Wednesday, 21st November from 10.30am – 4.00pm.

Join the weekly coffee morning and Pause for Thought at 11.00am if you wish, or pop in at any time during the day to see the range of beautiful gifts or stock up on all your dried fruits and sugars for your Christmas baking and make a wish when you stir the Fair Trade pudding mix. I have a number of pocket money gifts so why not bring your children along after school, enjoy a cup of tea or coffee and let them browse the selection.

Looking forward to seeing you there but if you cannot make the day, I will be holding another 'At Home' (Wits End) sale on Wednesday, 5th December.

## BRAINWAVE

The nights are drawing in and there's definitely a nip in the air – it must be Autumn. At Brainwave, we are now filling the rails with a wide range of clothing for your cooler-days wardrobe. Don't forget, new stock is added every day, so it's worth making more than one trip a week to the Brainwave shop. You'll probably find just what you are looking for and something else besides, we hope!

Those of you who sometimes travel over the border into Dorset may have noticed that there is now a new Brainwave Shop in Gillingham. Sandra is the supervisor there and she will be pleased to welcome you to browse and buy. As always, we thank those who keep donating their unwanted goods to Brainwave – men's, women's and children's

clothing, shoes and accessories, toys, bric-a-brac and books. We also accept small items of furniture but cannot accept for re-sale large electrical items.

We could not manage to keep going without a steady flow of donated goods, so please keep up the good work! For further information about Brainwave, please call the shop during business hours ☎ 01747 863432.

## MERE FILM SHOWS

So far this season our films have taken us on an international journey, with The Yemen in September, India in October and now our November film takes us to Hawaii.

The film on Friday, 9th November is **'The Descendants'** (15) starring George Clooney and Beau Bridges and tells the story of land baron Matt King whose life on Hawaii is suddenly turned upside down when his wife is injured in a boating accident, he must try and reconnect with his two daughters and he finds some unpleasant secrets emerging from the dark.

This is a very good film which has remained popular with audiences since it came out at the end of last year and certainly those I have spoken to who have already seen it have recommended it, so leave the cold English autumn behind for an evening and travel with us to the sunshine of Hawaii.....! Full details on page 27.

**Dates for your Diary:** There is no film in December. Our next film will be on Thursday, 10th January 2013. *Mary White* ☎ 01747 861257

## ROSEMARY GODDARD CENTRE

**The Day Centre for Mere and district, Lynch Close  
Mondays and Fridays 10.30am - 4.00pm**

During October we had loads of fun making, then painting salt dough creations! A few guests even showed their true artistic talent! Unfortunately our portrayal of our bus driver, Paul, seemed to sink into oblivion, but we managed to restore another replica, which everybody thought was true to life. We really hope that he is pleased with the outcome.

During November we will be hosting an ever-popular Desert Island Disc session plus a Disco! **'Get your glad rags on 'cos we is gonna rock!'**

Friends with money you have helped us to raise. Later in the month we shall be 'waving the Fives Court flag' at the Charities Fair. Look out for us and do pay us a visit!

## MERE MUSEUM

The really exciting news from the Museum this month is that our unique, very fragile, late-19th-century banner once paraded by members of Mere’s **Juvenile Total Abstinence Society** has been sent for conservation. The Museum is pleased to acknowledge grants from The Lecture Hall Trust, South West Wiltshire Area Board and the Conservation and Museums Service, which have made this project possible. The banner, restored and newly mounted, will be back with us in good time for the next exhibition where it will take centre stage. More in the next issue.

Following the success of the box-making workshop, we are planning another workshop, this time on **packing museum objects**. It will take place on Wednesday, 7th November at 2.00pm in the Museum and will be led by a Conservator from the Wiltshire Museums service. Numbers will be limited. **Please pick up a leaflet in the Museum for more details.** *Jenny Wilding ☎ 01747 860908*

## FRIENDS OF MERE MUSEUM

The Friends’ Committee would like to remind you that the **Friends’ AGM** will take place on **Tuesday, 30th October at 7.30 p.m. in the Museum**. The high point of this (short) meeting is the presentation of the cheque to the Museum – the fruits of Friends’

fundraising during the past year. After complimentary refreshments, David and Jenny will provide a glimpse of the History of the Museum (do YOU know when and by whom it was founded?) and explain what is entailed in running it day-to-day. Subs are due on 30th, if you haven't already paid, and it's a very good day to **join us** as a new member – you get a full year's membership for your money! We hope to see lots of you there.

The dates (again) are **Thursday, 28th November to Saturday, 1st December**, with two performances on the Saturday (1st December). Tickets are on sale **NOW** at the Library, priced at £6 for adults and £3 for children. Don't miss the (dragon) boat!

## MERE BOWLS CLUB

Although we have ceased bowling activities for the winter there is still a lot of activity behind the scenes as we prepare for 2013.

Firstly a big thank you to Sheila and Alan Spencer for organising a coffee morning on behalf of the club in support of the McMillan Nurses. A magnificent sum of £335 was raised, a fine effort and thanks to all who supported the morning.

Before we start our bowls next season we have two events in the planning stage.

The club annual dinner and presentation evening for members and partners is scheduled for Tuesday, 22nd January 2013, venue, timing and menu to be advised to members shortly.

Our fund raising event in support of Fives Court is in the diary for Saturday, 9th February 2013. Details are coming together, Grove Building and Black Bear Band (by popular demand from last year). Again final details will be appearing around the village, we look forward to support from you all.

We will be opening the club on Saturday, 6th April 2013, weather and green permitting. Come and join us.

For any information regarding the club please contact Alan Inwood ☎ 01985 844215 or me, Jeff Vigars ✉ [jeffcarolvigars@hotmail.co.uk](mailto:jeffcarolvigars@hotmail.co.uk).

## CROQUET AND BOULE

Sadly we are almost at the end of the season. However, regardless of the appalling weather, it has been a great year. Membership has grown, the funding is in a healthy state, the Boule activities - warm thanks to Michael Gladding for this - have really taken off, and there have been some very enjoyable, well attended and fun, social events.

The possibility of the ownership of our site being transferred from Wiltshire Council to Mere Parish Council is one we very much hope will materialise. Not only do we consider it will be very much to our long term benefit, but will also be an attractive addition to the Parish assets.

The Boule players have joined a local league and despite small numbers and their inexperience, they managed to win three of the eight matches played, ending up fourth out of five in the league. Pretty good for beginners.

More players will be warmly welcomed. We have a great location and a very friendly, not too seriously minded, membership so why not give us a call or ✉ [bramleythesteep@btinternet.com](mailto:bramleythesteep@btinternet.com). *Rex Roberts ☎ 01747 860873*

# **RED CLASS REPORTS**

## **YEAR 5**

### **A BUSY MONTH AT MERE SCHOOL**

#### **Roman Invasion**

Year 5 are learning about the Romans and have had a Roman Experience day that they will never forget! A special person came dressed as a Roman soldier with a real dagger and sword. They learnt to march and make formations to defeat the wild Celts. In the afternoon their teachers had a gladiator fight, to the death! It was a really exciting day.

#### **Senses Walk**

The new children in Blue Class went on a senses walk to Burton and smelt, saw and heard lots of interesting and Autumnal things.

#### **Pudding Lane Bakery**

As part of their topic on Fire, Silver Class has been learning about the Great Fire of London. It all started in Pudding Lane Bakery and so the children have made their own bakery in the class room. We just hope they are more careful bakers than the ones in Pudding Lane in 1666.

#### **World War II visit to STEAM**

Green Class, dressed as evacuees, went on a trip to STEAM in Swindon for a WWII experience day. Ella said "We had a very memorable day because it was like being real people in WWII.

"We also got to meet some people who were in the war so it was very interesting for us."

### **Authors, Books and Libraries**

This term we are getting really into books. All the classes have signs on their doors to show everyone what they are reading. Mrs Williamson has been busy reading books suggested by us and is keeping a reading log so we can see what she thinks of the books we choose for her.

We have also been lucky to meet two authors. First all KS2 children have had a story writing workshop with Pauline Morphy who visited the school as part of Mere Literary Festival. Then next week Year 5 and 6 are going to Salisbury Cathedral to meet Cornelia Funke who has just published a new book, 'Ghost Knight', which is partly set in Kilmington church.

Finally, our Library and Museum club are also planning their first visit to Mere Library and Museum.

#### **Sports**

Sports events and competitions are already well underway for this term. So far we have competed in a tag rugby and football match. We won the football with an impressive score of 7-0! Congratulations to all who played.

#### **Music Week**

Our next main event is music week. Lots of exciting activities are planned and we will tell you all about it next month.

## THE FRIENDS OF ST MICHAELS

Mere has many attractive and historic buildings, one of which is the Parish Church of St Michael the Archangel. It is important for us to maintain and refurbish this beautiful Church and its furnishings for future generations. The Friends of St Michael the Archangel was formed in 1976 to foster interest in this and to help to provide funds to achieve it.

If you appreciate this wonderful building, even if you do not worship there, have you considered becoming a life member of the Friends of St Michael? Friends receive annual newsletters and are invited to events held several times each year. Individual Life Membership still costs only £30 and pink application forms can be obtained in the Church, from Mere Library or by contacting me, the Membership Secretary.

## **FR. TOM SMITH, PRIEST AT THE ROMAN CATHOLIC CHURCH OF ST MARY'S, WRITES:**

As I sit to put pen to paper, or finger to touchscreen, I realise that it is a year to the day that I officially took up my post as Parish Priest of St George's in Warminster and therefore of St Mary's Church in Mere. Time flies when you are riding by the seat of

your pants! So much has happened in the past year and while I feel much more settled I know I still have a long way to go.

What has really struck over this year, is the separation between the two communities I serve. When I arrived I just accepted that I was serving two communities ten miles apart, but now I realise that they are a long ten miles apart. Someone I know near Motcombe reckons that the difference is between chalk and cheese, or in fact chalk and clay, as Mere sits below the hill at the cusp of the Blackmore vale bedded on clay soil while north and over the hill Warminster, like Salisbury is very much rooted in the chalk, my kettle tells me as much! Whether or not there is any truth in this difference is up for debate, but whatever the reasons there is a big divide. People in Mere tend to look to Gillingham for the train and shops and people in Warminster look, well to Warminster.

In covering Warminster and Mere I rejoice firstly in the difference because selfishly it gives me a wonderful variety in what I do, spending as I do Friday mornings and Sunday afternoons in Mere. I love driving around the country lanes and over the top to see the neat fields of the Blackmore Vale spread before me. On the down side it would be much easier to build community and organise whole parish events if there was a regular coming together of the two communities, but we work with what we've got.

Not long after arriving I was aware that I was not going to spend much time in Mere and get to know people unless I tweaked both mine and the parish's Sunday and Friday schedule. After discussing this with the community of St Mary's at a public meeting they kindly agreed that more could be done if we moved from Sunday at 11.30am to the evening. This has been borne out as I am now spending far more time at St Mary's than was ever possible before, one of the benefits of this is that I can get to know the community better and importantly too, the building! Over time one often develops an emotional attachment to a building and now I can spend time on Sunday evening admiring and working out what to do with the leaky cracks and warping roof tiles! The change of time has understandably not suited everyone with some people opting to keep their routine of morning mass rather than change to the evening. Nonetheless we have a very welcoming, warm, friendly and active community and we have a lot to think about with our large tin church and its maintenance, a love of God is reflected in the love of the building in which we worship him. A love of God is also reflected in our love of the local community.

I am delighted at the appointment of Rev'd Carol Wilson-Barker as the Priest in Charge of St Michael's. I know this post has been vacant for a number of months and how much it means for the community of Mere to have a resident Priest. I hope and pray that her ministry will be rich and fruitful for the town over the years. It is a sadness and a sign of the times that the Catholic, Methodist and URC churches are all served by ministers who live elsewhere, but as Christian churches we are all operating in imperfect circumstances and doing our best.

I am aware now that I am probably going on a bit and need to stop, needless to say it is a delight to write for Mere Matters (and so does West Knoyle), and I will end by expressing my hope that over the coming years I will be able to love and enjoy our Town and its surrounding villages and countryside more and more and that as different Christian communities in Mere and its surrounds we can work in friendship and show our common witness to our love of God and our God of love.

## **POLICE AND CRIME COMMISSIONER HUSTINGS/QUESTION TIME**

### **Police and Crime Commissioner Candidates to appear at Public Meetings**

Victim Support and Wessex Community Action recently announced that they have organised public meetings in the run-up to the Swindon and Wiltshire Police and Crime Commissioner elections

The public elections are taking place across England and Wales on Thursday, 15th November to elect a Police and Crime Commissioner for each police force area. Each new Commissioner will be responsible for setting a local police and crime plan, setting a budget, and engaging with the public and victims on issues of local concern.

In our case, we will be electing the Police and Crime Commissioner for the Wiltshire Police Force. The Role of each Commissioner is:

- to play a leading role in how crime is tackled in our area?
- to bring the voice of the people into policing and bring the community together to tackle crime?
- to hold the Chief Constable and police force to account for cutting crime?

Two meetings are arranged in October, but the first, in Swindon will have been held before this issue of Mere Matters is published. However, the second, on Monday, 29th October to be held at 7.00pm at Salisbury Arts Centre, Bedwin Street, Salisbury is after publication date.

Nominations for candidates closed on the 19th October 2012, The four candidates so far declared for Swindon and Wiltshire; have all confirmed their attendance, but as this was written before 19th October, there may be others by then.

What we know about the four confirmed candidates is that:?

- Angus Macpherson is an accountant who has previously served as a borough councillor in Swindon and as a member of the police authority. He is also a trustee of several Wiltshire charities. He is standing for the Conservative party.
- Clare Moody is currently a Unite Union official and previously stood as a Labour candidate for Salisbury in the 2005 general election. She is standing for the Labour Party
- Colin Skelton is a Special Constable and is standing as an independent.
- Liam Silcocks is also standing as an independent and has campaigned against police corruption. If elected, he has said he would set up an independent panel to review any historical complaints against the force.

Wayne Stevens, Divisional Manager at Victim Support said: “We are holding these public meetings so that the public can come along to hear what the Police and Crime Commissioner candidates have to say, and so they can put their own concerns forward. For too long victims of crime have been in the shadows of the criminal justice system, and this is a great opportunity to elect someone who puts them right at the centre.”

Debrah Biggs, Chief Executive of Wessex Community Action said: “We have been tasked to co-ordinate the Safer Future Communities Network to inform the voluntary and community sectors in Wiltshire and Swindon about the forthcoming election and to help local groups to influence the future work of the Commissioner.

“The Hustings are an opportunity for local people to put questions to the candidates, so that they can decide who will ultimately best support the work that they do in their local communities.”
