MERE PARISH COUNCIL

The Parish Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. The Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you! You will be permitted to raise questions in a public session before the meeting starts. The next meeting will be held at 7.30pm in the Andy Young Pavilion on **Monday, 1st September 2008**.

The Chairman writes:

Good News – I am very pleased to report that Mere was awarded First Place in the District Round of the Best Kept Village Competition (Large Village Category) and was subsequently awarded Second Place in the County Round of the Best Kept Village Competition. We are extremely proud and pleased with this result and would like to thank all our residents who help to keep Mere looking neat and tidy. A copy of the judges comments can be made available upon request to the Parish Clerk.

I am pleased to report that the youth are currently carrying out community work in clearing the footpath along the north side of Castle Hill.

Unfortunately, we have suffered a small amount of vandalism in and around our play areas and recreation ground. Broken glass is repeatedly being found in the recreation ground, vandalism has occurred in the tennis courts and the Parish Council recently erected ten 'No Dogs – Children Play Area' signs, only one of which is still in place.

We reported in the last edition of Mere Matters, that the Environment Agency had agreed to include the river along Waterside within their river clearance programme for this year and they would also be de-silting the river. I fear that this may have caused some confusion amongst residents because I have received an e-mail from the Environment Agency in response from a resident in Mere who claims that the Parish Council is saying that river cleaning is the Environment Agency's responsibility. This is not the case. Even though the Environment Agency is prepared to carry out the river clearance this year, it is a one-off clearance. The responsibility for routine maintenance of the river lies with the riparian owners (those who live adjacent to the river) and guidance on this is available from the Parish Clerk.

For information on Parish Council activities, minutes, agendas, contact numbers etc. please refer to the Mere website: www.merewilts.org, e-mail the parish clerk at: lindseywood@merewilts.org or ☎ 01747 860701.

Rodney Coward, Chairman, Mere Parish Council

DO YOU WANT MORE HOUSING FOR MERE? HAVE YOUR SAY

As a result of widespread concern and criticism over the last round of public consultation documents, Salisbury District Council has produced a new consultation document in magazine format, entitled 'Our Place in the Future'. This document will be sent to every household and business in the district during August.

The consultation period will commence on 1st September and continue for eight weeks until 24th October 2008. The purpose of this consultation is to enable Salisbury District Council and the new Wiltshire Council to set the planning policies for the district over the next 20 years and focuses on the possible location of new homes, employment land and the delivery of the infrastructure to support them.

Salisbury District Council will be holding a series of exhibitions, one of which will be in Mere, at the Grove Buildings on Tuesday 2nd September starting at 12.30 p.m. and finishing at 7.00 p.m.

Lindsey Wood, Parish Clerk, Mere Parish Council

THE NEXT 20 YEARS OF DEVELOPMENT IN THE MERE AREA

Following on from the previous unsatisfactory public consultation about the future development of South Wiltshire, I would like to inform everyone that all households were notified in the 'South Wiltshire Citizen' publication about the next period of public consultation. In mid-August all households and businesses should have received a 'magazine' from Salisbury District Council (SDC) – 'Our Place in the Future'. Copies are also available for reference in Mere Library and further details are accessible on the SDC website: www.salisbury.gov.uk

'Our Place in the Future' focuses on the main issues that were of most concern to consultees at previous stages, especially the location of new houses and jobs, plus the infrastructure to support them. The majority of issues in the 'black book' were strongly supported and hence it was not considered necessary to debate them again in detail, although people will be invited to review all the issues raised in the 'black book' (the earlier consultation document) and make fresh comments on any of the issues should they choose to do so.

There will be information provided in the **Grove Buildings, Mere on 2nd September from 12.30pm – 7.00pm**, and discussion at the Western Area Committee on 18th September. All Parish Councils will be arranging meetings during September and October to discuss the proposals. The consultation period will begin on 1st September and all responses must be returned to SDC by 24th October. I urge everyone to make their views known to Salisbury District Council before 24th October.

Catherine Spencer, Mere & Western, Salisbury District Councillor

MERE WEATHER

Whilst June could not be described as 'flaming', at least it was comparatively dry with many warm days. We only had 63 mms (2.48 ins) of rain against 161 mms (5.42 ins) last year.

July started very wet. Up to the 11th we had 118.5 mms (4.67ins), with thunder on the 3rd. After the 11th it was drier with warm sunshine and a few hot days in the third week. Total for the month was 158 mms (6.22 in), the highest monthly rain this year so far. Last year we had 157.5 mms (6.2 ins).

August has started wet, like early July, but not as much rain. Up to the 10th we had 52 mms (2.05 ins) of rain. Generally, it has been mild with a few warm days. The rest of the month should be better.

MERE CARNIVAL

Congratulations to Zoe Boorn who will be the new Mere Carnival Princess for 2008. She will be joined by Nicole Gent and Felicity and Madeline Howden as attendants.

The first event during Carnival Week will be a Quiz Night on Tuesday, 9th September at 7.00pm at the Mere Lecture Hall and entry is only £1.50 for each person in the teams of four.

A Race Night will be held on Thursday, 11th September at the Walnut Tree Inn starting at 7:30pm. This is a chance to enjoy a meal with friends and join in on the fun of the races.

On Friday, 12th, the Mere Carnival film will be "Son of Rambow" starting at 7:30pm. This is a great British comedy and tickets are available from the Tourist Information Office. As usual, there will be a raffle on the evening.

The Children's Procession and Fancy Dress Parade will gather for judging at 2.00pm on Saturday, 13th September at the Mere First School (Duchy Manor). The procession will start at 3.00pm and walk through the town. Entry forms for the Parade are available from the Post Office and this year there are new classes, trophies and increased prize money.

The evening procession will start at 7:30pm and travel down through the town. So, get those coins ready for the collections now!

A free programme giving you details of the times for these events and much more will be coming through your door and further copies are available from the Post Office. We hope everyone will join in and enjoy this year's Mere Carnival.

Trevor Lucas - Mere Carnival Secretary ☎ 01747 860859

Did you, or someone you know, win the Mere Carnival Quiz trophy several years ago when it was last held at the Fire Station. If so, we would be very grateful for its return, as we will again be having a quiz during Carnival Week at 7.00pm on 9th September, at The Lecture Hall.

The trophy can be left at The Post Office or at Jeans Electrical shop or Chapel Showroom.

Sue Jeans, On behalf of Mere Carnival Committee

MERE SURGERY

YOUR SURGERY NEEDS YOUR SUPPORT

The Department of Health has recently published a Pharmacy White Paper suggesting that 90% of rural dispensing practices, including ourselves, should cease to dispense directly from the surgery. Although this may not appear to affect those patients currently served by the town's pharmacy, we feel we must draw to your attention the inevitable consequences of this policy if it is allowed to go ahead.

Following the imposition of the 1990 GP Contract, 5,500 GPs took early retirement. This, combined with under-investment in health care for much of the next decade, led to problems with both recruitment and retention in general practice.

By 2000, the Government recognised the need for a new Contract and, after three years intensive negotiation, a deal was struck that breathed new life into general practice. For the first time, practices were paid to do much preventative help, particularly in the field of the management of long term diseases with a system known as the 'Quality Outcome Framework' in which practices can be paid for achieving up to a thousand quality points each year.

As a result of the new Contract we have been able to enlarge our staffing, improving both the service to our patients and our own professional satisfaction. We understand that we are the only practice in Wiltshire to have scored 100% in the Quality Outcome Framework for the year 2007/2008, and our Patient Satisfaction results were outstandingly high.

As a result of better staffing we have managed to keep more of our chronic elderly sick patients at home, saving the Health Service many tens and possibly hundreds of thousands of pounds in hospital fees.

Contrary to much press speculation about GP income, our own income is now significantly lower than before the new Contract. If we are forced to close our dispensary, our income would drop by at least another 25%. It will then be only a matter of time before medical staffing is reduced accordingly.

We have an excellent relationship with John Williams, our local Pharmacist, but must point out that he is a salaried pharmacist employed by a much larger chain based in the Midlands. In the event of this proposed change, John's workload would increase by

approximately 50%. Although we believe he would cope with this workload single handedly, he will have less time to advise patients than he presently has.

The local health service will see a reduction in the quality of care both, by ourselves and the pharmacist, and a return to higher hospital admissions thus adding to the PCT's costs.

Lord Darzi recently made five pledges:-

1. Changes will always be to the benefit of patients.
2. Changes will be clinically driven.
3. All changes will be locally led.
4. You will be involved (patients, carers, the public and other key partners).
5. You will see the difference (existing services will not be withdrawn until new and better services are available to patients so that they can see the difference).

We cannot see that the proposed changes fit any of his stated pledges and urge you to lobby in writing both your MP at the House of Commons, LONDON, SW1A 0AA and the appropriate Government Ministers:

- Dr Andrew Murrison MP - for Wiltshire patients
- Robert Walter MP - for Dorset patients
- David Heath MP - for Somerset patients

Please copy your letters to:-

MOONWALK THANK YOU

Mere Surgery receptionists Alison Graham and Diana Piercy took part in the Playtex Moonwalk in London on 17th May. Along with thousands of other women they set out from Hyde Park to walk a marathon through the streets of London at night: "We started just before midnight and completed the 26.2miles in a good time of 7 hours, which we were very pleased with. The whole night was quite an experience, especially being amongst so many other women all with the aim of raising money for breast cancer charities. We would like to thank patients and staff for their support, encouragement and donations, which reached £197.00. Together with our walking companion Hilary Motley we have raised almost £2,000 in sponsorship." *Alison & Diana*

SINGING FOR THE BRAIN

Fight Back, Be Head Strong

This is a weekly event, every Monday, for people living with dementia or other neurological illness, such as Stroke, Parkinson's or Multiple Sclerosis and their carers, family and friends. Come and have a cup of coffee and a chat followed by singing (and a lot of laughing- usually). This structured therapeutic singing programme offers a unique opportunity for pleasure, laughter and fun whilst encouraging memory, motor skills and socialising. Come and give it a try – you won't regret it!

SAVE THE CHILDREN FUND

Newspaper Collections

Until some years ago, Janet Naylor used to collect newspapers for the Save The Children Fund, until the garage where she collected them became unavailable. Since then I have collected the papers from my neighbours in a smaller way, but now I am unable to do this.

Warminster district earn £3,000 or more a year for the fund. It would be nice if Mere contributed to this worthy cause. But we need someone with a shed or garage where the papers could be delivered and is able and prepared to take them to the collection point in Kingston Deverill. Is there a volunteer willing to do this in Mere? If so please get in touch with me at Greystones, Pettridge Lane, and I will give you full details.

ROSEMARY GODDARD CENTRE (Mere and District Day Centre)

Twenty years ago, a group of wonderful people, funded and supported by Wiltshire County Council and Age Concern, started a Centre in Mere to offer companionship, activities, support and a hot meal for people over sixty years of age, who found themselves alone, isolated and in need of stimulation. The Centre was named in memory of Rosemary Goddard, a beloved District Nurse and has grown from strength to strength over the years due to a devoted number of Trustees, volunteers and organisers.

On 12th July 2008, we celebrated those 20 years with a party, organised by the present Chair of the Trustees, Lenka Stokes. It was attended by MP Andrew Murrison; Lady Benson, who had opened the Centre in 1988; the Guests, many of the Guests' families, the volunteers and friends and supporters of the Centre. It was a wonderful afternoon for all involved with a very special atmosphere. A display board, with the history of the Centre was unveiled.

Many thanks to all those who supported us, especially to the local businesses that generously donated prizes for a raffle. (The Co-op, Ship Hotel, Nisa, Mere Pharmacy, George and Sue Jeans, Sam and Marilyn of The Fruit Shop, Angel café, Davie the Butcher and North Street Nurseries). Our volunteers were brilliant and it was largely thanks to them that the event ran so smoothly.

The Centre runs two sessions from 10.30am to 3.00pm every Monday and Friday, except on Public Holidays, during which we have talks, music, exercise, games and quizzes, debates and discussions, outings and lots of fun and laughter. A hot meal is provided from Fives Court Residential Home, and on Fridays, transport is available through the Connect 2 bus.

In September there will be a talk on music. A musical recital, professional storyteller, Tai Chi exercises and a Quiz are planned as are Chit Chat days when the Guests decide on the subject for discussion. Why not come and join us. If you are interested, please contact the Organiser **Lynette** ☎ **01747 861646**, for more details.

We always need volunteers and at present we specifically need someone to help with the Guests on the mornings of the 4th and 5th Monday of the month and all day on the 1st Friday of the month. If you have an interest, or career or pastime that you think the Guests might like to hear about, do not hesitate to contact **Lynette**.

THE FRIENDS OF FIVES COURT

Autumn Fair

It's not too late! We are still more than happy to receive donations of garden produce, cakes and preserves for our Annual Autumn Fair which takes place **this Saturday, 30th August at 2.00 p.m.** George Jeans has kindly agreed to open the event, and we're hoping for brilliant weather and a record result.

Our efforts this year are directed towards the purchase of a water feature for the Residents' recently redesigned gardens, so we need lots and lots of support! Boxes for donations are in The Friends' Corner at St. Michael's and in the porch at Fives Court. Please help us make this a bumper event, rain or shine!

SUCCESSFUL JUMP FOR TIGERS

Shima Varsani from Mere successfully completed her tandem skydive for the Satpuda Foundation tiger conservation charity based in India and was pleased to have raised over £1,700 in sponsorship from generous donors with the help of Derek Remington. Mrs. Jean Woodroffe, also from Mere, was the lucky winner of the 'Tigers' book autographed by the co-authors: Michael Richards and Hashim Tyabji, who were also involved in the filming of the 3x1 hour BBC television series 'Spy in the Jungle'.

Most of the money raised has already been sent to Mr. Kishor Rithe, a Director of Satpuda Foundation, who was most grateful for all the donors' support. An official receipt has been received.

MERE MUSEUM

The current exhibition about the history of education in Mere, entitled '**An Intriguing Collection of Rooms**', has been very well received, even getting coverage in the Blackmore Vale Magazine! We held a reception for former teachers and members of staff shortly after the opening, one such master coming all the way from Teignmouth for the event. The exhibition will continue throughout the summer. Do pay a visit and add your own reminiscences in the notebook provided. It's your chance to make a mark for posterity!

FRIENDS OF MERE MUSEUM

We are very excited about our next fund-raising event! **Paul Atterbury**, of **The Antiques Roadshow** fame, is coming to give a talk about this much-loved television programme in the Grove Buildings on **Tuesday 25th November**. Tickets will go on sale nearer the time; look out for posters and check this space in the next issue of Mere Matters. But do make sure you have noted the date! Please also note that the event is strictly a talk with an opportunity to ask questions (and enjoy a glass of wine); Mr Atterbury will not on this occasion discuss objects, or give valuations.

MERE FILM SHOWS

We start our new season of films with a film for Carnival Week on Friday 12th September, the delightful British comedy 'Son of Rambow' (12a); a tale of friendship, adventure and the weird business of growing up. As a boy's imagination is given full reign, friendships and loyalties develop in the strangest places. There are some familiar faces among the adults, including Eric Sykes as Rambow Senior! Come and see for yourselves and support the Carnival! Full details on page 21.

The autumn films continue on Wednesday 15th October with 'The Edge of Love' for Mere Literary Festival, the much acclaimed film of Dylan Thomas's love for both his wife and childhood friend, starring Keira Knightley and Sienna Miller. On Friday 7th November we are showing 'Mamma Mia!' which has been a huge hit everywhere, but it does star Meryl Streep, Julie Walters, Colin Firth, Pierce Brosnan and an unspellable Scandinavian so there must be something good about it; and on Friday 5th December

we have 'The Duchess' starring Keira Knightley with amazing hair as the famous Duchess of Devonshire. Full details will be in Mere Matters!

Transport requests - ☎ 01747 860096

A rather belated report on our Annual Meeting, which was held at the end of June, just too late for the previous edition of Mere Matters!

The Chairman, Tony Taylor, welcomed volunteers and friends to the meeting. It was reported that the number of requests for transport were about 75 to 85 each month. Approximately one third were to Salisbury District Hospital. Two thirds of the requests came from people in Mere and the remaining third from the surrounding parishes served by the Linkscheme. There are 30 drivers of whom 23 are from Mere, 4 from Zeals and one each from Bourton, Kilmington and Maiden Bradley.

Donations received from users of the Linkscheme made a substantial contribution towards running costs, but the contribution received from the Mere Literary Festival was essential in meeting the shortfall.

LINKSCHEME LITERARY FESTIVAL

13th – 19th OCTOBER

Next month is Literary Festival month and, as usual, the festival opens on the second Monday of October and the programme includes well known names and celebrities. First flyers are in circulation outlining the week's events, and this month the full programme will be delivered by Link volunteers to as many households as possible. Tickets are now available at Mere TIC/Library. Programme details and a postal booking form are also available on the festival's website: www.merelifest.co.uk

We look forward to your support throughout the week – and also hope that you will help create a historic record by taking part in Diary Day on Thursday 16th October. Diaries and records kept by people of the past prove invaluable to historians today. They provide an insight into the lives of ordinary people rather than the official version of history. We want to provide such a record for the future - a picture of life as lived in Mere and district on one day in the twenty-first century.

Diary Day gives you the opportunity to record your day, your thoughts, your feelings and your opinions for history. Be a Samuel Pepys, a Mrs. Dale, a Liz Jones or even an Adrian Mole and write a one day diary for the archives. You can be anonymous, use a pseudonym, or be as open as you like. Details of how to take part are in the big green programme.

MERE AMATEUR DRAMATIC SOCIETY

As always, MADS has continued to tick over during the 'summer' months, and believe it or not, plans are pretty well advanced for this year's Autumn Production. This is to be: **Ladies of Spirit**, by Georgina Reid, a (spirited?) comedy set way back in many of our childhoods, the 1950s, and we are prepared to say that there is what *might* be called an educational theme. The dates? Thursday to Saturday, **20th, 21st and 22nd November.**

Rehearsals begin imminently but tickets are not yet printed. But never fear, we shall let everyone know when and where in plenty of time. Meanwhile look out for us in the Carnival Procession - you won't be able to miss us!

RETIREMENT FROM OXFAM

Unfortunately, due to ill health Miss Barbara Naylor finds that she can no longer cope with collecting pledged gifts in Mere for Oxfam.

Barbara has worked ceaselessly for Oxfam for about 35 years, mainly as Secretary of the Mere Oxfam Committee. For many years in this capacity she was always devising ways and means to get help to people in Africa and other countries, where starvation and a lack of drinking water were problems.

Many thousands of pounds were raised in Mere Oxfam 'shops' for the relief of unfortunate people. Barbara personally continually knitted blankets as a means of helping out.

When the Mere Oxfam Group Committee had to close down; she decided to carry on collecting pledged gifts for many years; and it is with a heavy heart that she has had to stop her Oxfam work.

In conclusion, with regards to 'Pledged Gifts', this is an appeal for someone to take on the job as collector of pledged gifts in place of Miss Barbara Naylor.

Anyone interested in taking on this worthwhile work please contact Judy Bickerstaff ☎ 01747 860335.

MERE TOWN FOOTBALL CLUB

On Saturday afternoons the Recreation Ground will continue to stage competitive adult football. The club, led by Chairman Steve Howell, has a core of committed members, and this season will see them competing in Dorset League Div 1. The team will also compete in three Cup competitions.

It is good to see that in addition to some very familiar names, Gould, Guy, Hincliff and Parfitt, to name but a few, we also have several more recent residents who have joined us, clearly demonstrating their wish to be part of the local community.

We are pleased to have continuing support from the Hill Brush Company and Mere Social Club (where we take after match refreshments).

We look forward to your support at our home matches, do please come along and cheer us on.

This has been a busy couple of months with a number of big changes taking place. We say a fond farewell to Karen and Melissa in Kidzone and wish them well, and a warm welcome to: Lesley Bennett (our new Kidzone leader); Colin Pringle who started as a volunteer and has now been appointed as a playworker, and Natasha who joins us for the summer. We have a truly talented team who are committed to the highest levels of excellence in all we do.

You can expect to see the updated website soon and we will be launching a "drop in coffee club" for parents and carers as the Autumn term takes off. You can expect

homemade cake and fair-trade beverages and have access to information and talented people while you wait for the children to finish school.

We will soon be able to offer a crèche that will free you up for a spot of shopping, a well deserved rest or a relaxing hair or beauty treatment – watch this space!

Kidzone at Footprints: is committed to providing a safe and secure environment so that parents can have confidence in their children's well-being.

We believe in providing the highest quality of care and having consulted the children our summer programme is proving a big hit. We have on some days almost filled our 26 places – a 'first' and attributable to the hard work of Michelle Rendall in her caretaking role of Kidzone Leader during July.

Lesley will be issuing the Autumn calendar of activities soon and we will be working with Mere School to provide some of the same afterschool activities for the younger members of the community, so come and book your places for the Breakfast and Afterschool Club now to avoid disappointment.

Important facts about Kidzone:

- We are available for part sessions
- Funding is available if you are on a low income
- We accept childcare vouchers
- Help is available to apply for Working Families Tax Credits
- We are OFSTED registered

Learning Zone at Footprints: Michelle has now been formally appointed head of Adult Education in the Learning Zone and is pleased to be able to announce the launch of the Autumn courses, a little later than expected due to changes at Wiltshire colleges. However, you will receive a copy of the new brochure soon, but for those who can't wait do call in to see us - the details and application forms are on the notice boards or have a chat about courses and events that you would like to do.

Remember this is your centre and if you want us to provide something come and ask.

Children's Centre at Footprints; We are still progressing toward the Children's Centre status – but don't wait for this, come in and meet the team. We are planning a new range of clubs and activities for the parents and carers of the community, which includes a place for children with special needs and a launch of the Footprints Mums

and Toddlers Group. Would anyone interested in getting involved pop in and find out more, we are always looking for new faces and will be doing a drive for volunteers through the Autumn.

Volunteering at Footprints gives you the chance to meet new people, learn new skills and build your qualifications. You will be treated with the same respect as our employed team members and this includes access to training and development. So if you have a few hours that you would like to give either regularly or on an adhoc basis do come and see us. Colin and Carole are both on hand to tell you about life as a volunteer with us.

Remember - everyone needs to have **FUN** and **LOVE** it brightens our lives so come and join us for a warm and welcoming environment. See you soon.

‘GIOTTO IN PADUA’ AT FOOTPRINTS

Way back in the very early 14th century, a young painter we now know as Giotto was commissioned to paint the interior of a chapel in Padua for one of its wealthy inhabitants. The patron's motives were questionable, but the paintings that Giotto made – over 70 of them – were, and remain, inspirational. Giotto was innovative, a master story-teller, and quite good at painting too. We shall look at the paintings, the stories from which they spring and how they are all inter-related.

Come and learn all about it; NO art-historical experience is necessary. There will be seven sessions on Mondays, 2.00 p.m. – 4.00 p.m. Advance booking is recommended; please contact Michelle Rendall at Footprints, ☎ 01747 861108.

REPORT FROM MERE SCHOOL

July 2008

Red class have written for Mere Matters this time as Purple class are very busy - with lots of jobs to do before they move onto Gillingham.

We will be performing 'Snow White' next week. All of Purple class and some of Red class are taking part. 'Snow White' is a musical comedy and we have been practicing a lot to make sure everything goes well!

Recently Red class went to “@Bristol” (a science centre). We enjoyed every moment except when we were leaving to go home because it was a long journey and we had had such a lot of fun we did not want to leave.

Mere School spent a day at Berwick Farm and had a lovely time learning about farm machinery and crops. We had a gorgeous morning but got rather wet in the afternoon.

On 10th July, Mere School had an Australian day. We had an Australian barbecue for lunch and kangaroo cookies for our break. We wrote Australian poetry with a 'real' Australian poet, we created some Australian dances and performed some Aboriginal music and painted some Aboriginal work with Mr Smith. It was a very special day.

During this term, many of our children have been taking part in athletics tournaments. Some children represented our area at the Dorset competition and did very well. Well done to all those people who took part.

Green class had an Egyptian day and they dressed up like Egyptians and had a really fun time. The year 4 children from Hindon and Whitesheet came to work with us also.

At the end of each term, we have a school disco and we have just had our summer one. We had a great time dancing and playing with our friends.

Mr Walker came into school to run our Recorders/Brass assembly. Our instrumentalists were able to show our mums and dads what they had been learning all year. Mr Walker always makes us join in!

As part of their busy time, the year 6 children have been doing their cycling proficiency award. They have been learning to cycle on the road and this should make them safer cyclists.

Our children in years 1 and 2 went to Gillingham School to take part in a Mini-Olympics morning. They represented the school very well.

Our mums and dads have visited our teachers to talk about how well we are doing. We are all getting ready to move to our new classes (or school) in September. The year 6 children have also been to Gillingham to learn about their new school. Many new children have started our school this term, with lots more in September, and we would like to welcome them all.

Gold class spent a day at Stourhead looking at wildlife in the water meadows.

We are looking forward to The Flower Show in Mere as we have entered many classes. Best of luck to everyone who has entered!

Our year 6 children who will be leaving for a new school in September produced a leavers assembly for us all to enjoy. They shared their memories of Mere School and were given gifts. Some children were given special awards. We wish them good luck at their new school.

1st MERE BROWNIES

Mobile phone appeal

The 1st Mere Brownies are continuing striving to try and reduce our environmental impact.

Living in a throwaway society means that we discard unwanted mobile phones too readily. If not discarded correctly, these end up in landfill sites where their dangerous chemicals may seriously damage the environment. These seemingly worthless products (they do not have to be working but it is advisable to remove the SIM card) can be made use of. Something that is of no value to you can be transformed in to cash that can generate money for our unit funds. Collection points for your contributions are at the Post Office, Mere Library, Jeans Electrical Shop and Chapel Showroom.

Many thanks.

Sue Jeans ☎ 01747 860215

MERE TOWN YOUTH FOOTBALL CLUB

They say time flies; it certainly seems to, just a few short weeks ago with the award of some 100+ trophies, we were celebrating our members' achievements throughout last season at our annual presentation evening.

Now here we are, with the 2008/09 season upon us. With the onset of the new season I must appeal to you all to support our Club. The hard-working committee needs your help. Can you help, please, with Pitch marking and maintenance? Or, perhaps you can help with Match Day Catering or maybe becoming a Match Official (Referee or linesman). For more details (or just a chat) please call Neil Francis on 01747 860750.

Our Home matches will continue to be played on the Duchy Manor Playing Fields. The hospitality we are able to provide to our opponents will be much improved as we are

now able to use the new 'Andy Young Pavilion'. On behalf of the members, I would like to thank Rod Coward and the Parish Council for all their hard work in providing these and the many other new facilities available to us.

I am very pleased to be able to announce that the HILL BRUSH COMPANY have very generously agreed to continue as our main sponsor, their continuing support is invaluable in providing the members with quality playing equipment. I would like to thank Charlie, Phillip & Martin Coward and their team, for their continued support.

BARN BUDDIES

The Barn Buddies is a Youth Club for young people from school year two and older. If you are new to the area, or have a child who is just starting in year two, do come and see what we are about. We meet at Barrow Street Farm, just on the edge of Mere parish, in a 4,000 square foot barn. The young people entertain themselves with many activities, and enjoy using the tuck shop. For further details, please contact me.

FR BEDE ROWE, THE ROMAN CATHOLIC CHURCH MINISTER, WRITES

An Ordination to the Sacrd Priesthood

You may remember that Mere is in the parish of St George in Warminster, and one of the most wonderful things that happened in the recent past, on the feast of Saint Benedict, was the Ordination to the Sacrd Priesthood of Fr Malcolm Ferrier.

Our ordinations, under the present Bishop, seldom take place outside of the Cathedral, but, for reasons known only to his episcopal self, Bishop Declan suggested that St George's host it. We, of course, jumped at the chance. This was only the second priestly ordination to happen in our parish.

Fr Malcolm will serve here, in Mere and Warminster, and so it is of particular joy to us as we have not only another priest, but one who we will keep. Our priests are moved simply at the will of the Bishop - our vows of obedience bind us to our Bishop, for he is our Father in God - but we know that Fr Malcolm will be with us for the foreseeable future.

For us, priests are an indispensable part of the action of God. We cannot exist without them. Indeed Pope John Paul II, of happy memory, said that a parish that did not have a priest would die. We need the sacramental life of the Church, of regular Holy Mass and confession, baptism, marriage, ordination, confirmation and anointing. Without these we are bereft of the touch of God. And these, to a large part (though with some exceptions) are trusted to the Holy Priesthood.

The priest is the one who acts in the person of Christ the Head. Thus his priesthood is different from the priesthood of all believers, given in baptism, for he can act in the very person of Christ in the unique rôle of offering the sacrifice of God to God.

For us, then, this is a moment of unsurpassed joy.

Another priest to offer the sacrifice!

Another priest to minister to the people of God!

Another priest to be burnt up on the altar of God!

We hope and pray that Fr Malcolm will be a good priest, one who says his prayers and one who loves God. For there is nothing better in the world. Please pray for him.

EAST WINDOW **at St Michael the Archangel Parish Church**

Many people in Mere responded magnificently to our appeal for funds to renovate the dilapidated East Window in the Parish Church. We are most appreciative of your generous response and are deeply grateful to Karyn Sheppard and Judy Bickerstaff for their enthusiasm and energy in co-ordinating the appeal by arranging a whole range of innovative and entertaining fund-raising events throughout last year and the early months of 2008, which raised £13,000.

Before undertaking any work on an Anglican church building the Parochial Church Council has to acquire a legal document, the Faculty. For some months now, as Karyn and Judy's efforts were achieving our financial goal, we have been going through the lengthy process of consulting with the appropriate national bodies and providing Salisbury Diocese with all the necessary information in order to gain the required Faculty. Our submission to the Diocese Advisory Committee (DAC) included our wish to enhance the main design by replacing the light restricting and fussy background panes, known as "quarries", with clear glass that would enable more light to penetrate into the Chancel.

We are now keen to bring you up to date and share with you the exciting news that we have been presented by the Diocese with a once in a lifetime opportunity. Two of the national bodies with which we had to consult made it clear that they were not keen for us to remove the "quarries". However, in its own response to our submission, the DAC suggested: "that while the current design of the East Window is representative of its time, its design is of no great merit and sits unhappily within the early 20th Century reordering (of the inside of the church)." The DAC was of the view that: **"...the Parochial Church Council should consider a complete change, perhaps of a bold design."**

The DAC also acknowledged that the clergy and senior members of St Michael's had been unhappy with the 1850s design as long ago as the early 1900s. They had commissioned a prominent stained glass artist to design a replacement, but unfortunately no action was taken and the design was subsequently lost.

We are now presented with this golden opportunity to install a brand new window and we hope that you, the community, will be supportive of us researching this bold initiative with a view to transferring the funds, which you have kindly donated to us for restoration, if we are in a position to proceed. We have an excellent opportunity to design a window that would not only provide the additional light in the chancel that we have been seeking, but more to the point it would be a tangible and vibrant legacy of Mere at the beginning of 21st Century that we could leave to our children and our grandchildren.

A new design is likely to cost a lot more than the £13,000 so far raised to renovate the window, but by having already shown our resolve by raising this substantial sum, it should be easier for us to gain access to grants, particularly "match funded" grants. We are investigating the costs and other implications and through the pages of "Mere Matters" we will keep you updated with our progress. We hope to display design options, if our research suggests that a brand new window is a practical proposition.

WEST KNOYLE PARISH ARCHIVE PROJECT

West Knoyle Parish has the opportunity to participate in the Parish Archive Project, a record of the things, both past and present, which make West Knoyle unique. The potential for individuals to contribute is immense, whatever their age or interest and whether as part of a team or by themselves: People, recollections, old photos, new photos, drawings, documentation, archaeology, the wildlife, etc., etc.

Many Mere parishioners have or have had close links with West Knoyle, and it is more than likely that there are valuable photos, documents and memories to be gleaned! We would very much welcome your support and input in this project.

Our second open meeting will be held at the West Knoyle Village Hall on Monday 20th October when you can find out more about the Project, talk through aspects that may be of interest and generally map out a way forward. It is hoped that Anne Carney (the Community Link Officer for the Project) will also be attending.

Please do not hesitate to contact me if you have any queries.

I look forward to seeing you!
