MERE PARISH COUNCIL

The Parish Council meets every month. Whilst it is not a public meeting, members of the public are welcome to come and listen. The Council members are working on YOUR behalf to sustain and improve the quality of life and the environment that we enjoy in the parish - come and hear what they are doing for you! You will be permitted to raise questions in a public session before the meeting starts. The next meeting will be held in the **Andy Young Pavilion at 7.30pm on Monday, 7th September 2009.**

The Chairman writes:

With reference to the recent spate of vandalism outside the Andy Young Pavilion, I would like to thank members of the public for being so observant. I am pleased to report that the police are acting on information received.

Local Development Framework

I am sure that you will not have forgotten the meetings and discussions that we held last year over Salisbury District Council's discussion paper 'Our Place in the Future' and I am sure that you all responded to the paper. The latest document, Wiltshire Council's 'South Wiltshire Core Strategy' has just been produced which sets out the planning policies for the next 20 years and indicates where managed growth will be encouraged. This is the 'Publication Stage' of the South Wiltshire Core Strategy and Wiltshire Council say that they are inviting representations on whether the document is considered to be sound and legally compliant. The consultation period for the Strategy started on 10th August and ends on 30th September 2009. Details of the Strategy will be presented to South West Wiltshire Area Board meeting, which is to be held on Wednesday, 16th September at 7.00 p.m. in Nadder Hall, Tisbury. There will also be a public exhibition in the Lecture Hall, Mere on Tuesday, 8th September. (See page five.)

You may be interested to know that the Strategy is proposing 290 homes for the Mere area up to the year 2026, (270 in Mere itself and 20 homes in the rest of the Mere Community Area). Where exactly this growth will take place will be identified through a subsequent Site Specific Allocations Development Plan Document, we are told.

Copies of the South Wiltshire Core Strategy are available at Mere Library and the Parish Clerk has been given a copy also.

Allotments adjacent to the new cemetery – Your opinion is requested?

As you may be aware, the field purchased by the Parish Council to use as a new cemetery is far larger than we need for the present time. The Parish Council therefore

fenced off a manageable area to use as a new cemetery for the next 50 – 60 years. The remainder of the field has no distinct use until after that time and, owing to the present demand for allotments, it has occurred to the Parish Council that it may please parishioners if we plotted out some allotments on the land. However, it has also occurred to the Parish Council that some people may feel that it is inappropriate to provide allotments adjacent to the cemetery. Before making a decision, the Parish Council agreed to put this notice into Mere Matters to see if there were any strong views from parishioners – please respond to the Parish Clerk – details at end of this report.

For further information on Parish Council activities, details of meetings and copies of minutes, please go to the Mere website: www.merewilts.org or contact the Parish Clerk, Mrs. Lindsey Wood, ☎ 01747 860701 or e-mail: lindseywood@merewilts.org

GEORGE JEANS, WILTSHIRE COUNCILLOR, MERE DIVISION, WRITES

My first two months as a Wiltshire Councillor have been enjoyable and interesting. I have travelled the county for training and meetings. Now down to practical matters, I wish people would not leave sheets of glass by the bottle bank in the main Mere car park; it is dangerous for those using the facility, especially after dark.

The first South West Area Board meeting has taken place in Mere; it was well attended and gave me some hope that “the board system” can be made to work. On another topic, housing is one of the main issues for which people contact the council. I have noticed an increase in the numbers contacting me in this regard. To be able to apply for social housing an applicant now has to use the special website: www.homes4wiltshire.co.uk Please note that “Homes4Wiltshire” does not appear on the home page of the Wiltshire Council web site at the present time. I have informed the Council about this omission.

Wiltshire Council has published the proposed submission documents for South Wiltshire's Core Strategy Development Plan Document, part of the Local Development Framework. The Core Strategy sets out a strategy over the next 20 years to 2026 for the Mere Community Area of a planned growth in Mere itself of 270 homes and three hectares of employment land. The rest of the Mere Community Area will have 20 homes developed. Where exactly this growth will take place will be identified through a subsequent Site Specific Allocations Development Plan Document. Proposed submission documents will be available to view at a special exhibition in Mere Lecture Hall on the 8th September 2009 from 12.30pm – 7.00pm. (See page five.)

EXHIBITION IN MERE FOR THE SOUTH WILTSHIRE CORE STRATEGY DEVELOPMENT PLAN

Wiltshire Council has published the proposed submission documents for South Wiltshire's Core Strategy Development Plan Document, part of the Local Development Framework. The Core Strategy sets out a clear strategy for delivery of growth in a managed way over the next 20 years to 2026, which balances meeting local needs with the protection of the environment. The Core Strategy will make strategic site specific allocations.

The Core Strategy covers the whole administrative area of south Wiltshire except for that area where the New Forest National Park is the local planning authority.

The council is inviting representations on proposed submission documents. The period for representations to be made will run from Monday 10th August until 5.00pm on Wednesday 30th September 2009. The proposed submission documents, as well as the Core Strategy include:

- Sustainability Appraisal
- Habitats Regulations Assessment
- Equality Impact Assessment
- Consultation Methodology and Output report

The Proposed Submission documents and supporting documents are available to view online at: www.wiltshire.gov.uk They are also available for inspection, free of charge, in Mere Library, Barton lane, Mere (Mondays 10.00am – 7.00pm, Tuesdays-Fridays 9.00am – 5.00pm or Saturdays 9.00am – 1.00pm)

Proposed submission documents will also be available to view at an exhibition in the Lecture Hall, Mere on Tuesday 8th September from 12.30pm until 7.00pm. Officers will be available there to answer any queries.

The proposed submission documents have been published in order for representations to be made prior to submission of the Development Plan Document (DPD) to the Secretary of State. Representations received during the period will be considered alongside the submitted DPD, which will be examined by an independent Planning Inspector. The purpose of the examination is to consider whether the Core Strategy complies with the legal requirements and is 'sound' against the tests of soundness as detailed on the representations form. Representation forms are available to download on the council's website (www.wiltshire.gov.uk) or from the Spatial Planning team using the contact details below or by calling ☎ 01722 434 390. Representations should be submitted in writing on the official representation form to: Spatial Planning South, Wiltshire Council, 61 Wyndham Road, Salisbury, SP1 3AH. Alternatively, they can be emailed to: james.sutton@wiltshire.gov.uk or faxed to 01 722 434 247.

Following the representation period, the Council will consider any comments received to ensure that no fundamental issues have been raised on the soundness of the Plan before submitting the document to the Secretary of State for independent examination by a Government appointed Inspector. It is the role of the Inspector to consider any representations received and to propose changes to the document in light of these rather than the Council.

I look forward to receiving your response. If you have any queries do not hesitate to call the spatial planning team ☎ 01722 434390.

Dave Milton, Team Leader, Spatial Planning (South Office)

MERE WEATHER

The total rainfall for June was 49.5mms (1.95ins). Last year it was 63mms (2.43ins). So far this year up to the end of June we have had a quarter of the total rain for last year. There was a little thunder on the 25th and after that we had several days of hot weather. Some said it was too hot.

July started cooler, cloudy and windy with a total of 141.5mms (5.57ins) of rain, making up for June! Last year we had 158mms (6.22ins). Where is the summer we have been promised? Well, we had two weeks at the end of May and one at the end of June.

August last year we had 124mms (4.88ins) of rain. This August, up to the 16th we had 56.5mms (2.22ins) with a small bit of thunder on the 3rd, followed by 27mms (1.06ins) of rain on the 4th. There have been more sunny days so far this month with rain at night.

MERE SURGERY

Flu Clinic Date 2009

Our normal flu vaccination clinic will be held on:

Saturday 26th September 2009

From 9.00am – 12.00noon

Further appointments sessions will be available throughout

October and November.

The Department of Health recommends vaccination against Influenza for all patients aged 65 and over, Carers and patients with the following conditions:

Chronic Respiratory Disease
(including Asthma and COPD)

Heart Disease

Renal Disease

Diabetes Mellitus

Initially vaccination is only possible if you fall into one of these categories - please contact the surgery on

☎ 01747 860001 to make your appointment.

Please note - you will need to book an appointment for this vaccination

Swine Flu Vaccinations

At the time of writing, we have not been given confirmed guidance from the Department of Health on the immunisation programme for Swine Flu, although we believe the vaccinations will be given at the surgery when they become available.

Current information is that the vaccine will become available over the next couple of months and that it will be sent to surgeries in batches. It will be important for everyone that we stick to the Department of Health guidance on vaccinating the 'most at risk' patients first.

If we have to implement a vaccination programme for all patients we will have to provide limited medical cover for urgent patient cases only so that the remainder of our medical staff are available to give the vaccinations.

If this situation arises, we may have to cancel all routine, non urgent appointments for a few days while the vaccination programme is carried out.

Full details of when we expect to receive the vaccine together with details of which patients will have priority to be vaccinated will be shown on posters, which we will display at the Surgery, Mere Post Office and the Pharmacy.

If you fall within one of the 'at risk' categories, we anticipate using an open surgery system for vaccinations. You will not need to phone the surgery for an appointment, patients will be vaccinated in the order that they arrive at the surgery.

We would like to thank everyone for their patience whilst the vaccination programme is carried out.

Further information will be given when it becomes available.

WILTSHIRE'S ORCHARDS: USE THEM OR LOSE THEM!

Orchards are hotspots for wildlife and are composed of a network of habitats. They provide an abundance of food sources and support a number of UK Biodiversity Action Plan species that are rare, protected or scarce such as the Noble Chafer beetle. And, their products can also be enjoyed by you, the people of Wiltshire.

Since the last world war, Wiltshire, along with its neighbouring counties, has lost many of its traditional orchards. This has primarily been caused by changes in land use, development and agricultural intensification. English Nature's research report on

traditional orchards in England revealed that since the 1950s the area covered by orchards has declined by 57% (Lush et al 2005). As a result, traditional orchards have recently been added to the UK Biodiversity Action Plan as a priority habitat and an inventory has been undertaken by the Peoples Trust for Endangered Species (PTES), with the aim of conserving this distinctive habitat.

Wiltshire Traditional Orchards Project (WTOP) has been set up by a group of volunteers working in partnership with the PTES. WTOP aim to halt further loss of orchards across the county and prevent further neglect to this valuable habitat.

Very little is known about Wiltshire's orchards and WTOP are having to start from scratch to find out exactly what still exists. As Wiltshire is a large rural county the project needs your help. We are looking for:

- volunteers to become orchard surveyors – people who are happy to go out to a pre-defined site and undertake a survey of the condition of the orchard.
- orchard owners – if you have 5 or more fruit trees on your land, whether these be for personal or commercial use, we would love to hear from you.

If you would like to get involved please contact WTOP at Wiltshire Wildlife Trust, Elm Tree Court, Long St, Devizes, SN10 1NJ, ☎ 01793 815029 or e-mail: orchardwilts@hotmail.co.uk For further information, see our website: <http://sites.google.com/site/wiltisorchards/>

LAUNCH OF MERE LITERARY FESTIVAL PROGRAMME

Mere Literary Festival (MLF) launched its 2009 programme with the help of Willy the Gorilla who tried to convince those who stopped at the festival bookstall that 'Darwin was Wrong'. But Willy is unlikely to turn up to argue with the opening speaker of the festival which runs from 12th-18th October 2009. This is James Taylor who gives an illustrated talk on *The Voyage of the Beagle*.

The line-up also includes noted biographers Clare Mulley, Adrian Tinniswood and Kate Williams, Druid author Penny Billington, children's author and illustrator John Rowe, and the coffee morning will promote local authors including Mere's Peter Durkee, Jane Holmes (Sharp) and Melinda Emby.

There will be discussions, readings, theatre, film, a guided history trail, a writing workshop and MLF is pleased to have the Community Lunch during festival week.

There is no team quiz this year, but test your knowledge with the new format quiz sheet. The festival concludes with Louis de Bernières and Ilone Antonius-Jones in concert with music, poetry and amusement on Saturday evening, and with the famous novelist announcing the results of the 2009 poetry competition on Festival Sunday.

It is hoped that a full programme can be delivered to houses during September, but if you fail to receive one they are available at the TIC/Library or on line at www.merelifest.co.uk

Details will also appear in October's issue of this magazine with our thanks to Mere Matters.

This is the festival you can afford, and tickets are now available at Mere Information Centre/Library. All events are in aid of the Mere & District Linkscheme (Reg.Charity No:1062328).

The evening procession will commence at 7.30pm and we are looking forward to an evening of fun for everyone. There is no Film Show this month, but our season starts next month with a film for Mere Literary Festival on Wednesday 14th October, 'The Young Victoria' (PG), Julian Fellowes's account of Queen Victoria's early life. This film has won many accolades

WOULD YOU LIKE TO JOIN A MERE THEATRE CLUB?

If you enjoy going to the theatre and would like to go with other like-minded people, why don't we form a club? It could visit theatres within an hour or so of Mere, perhaps every couple of months. MERE AMATEUR DRAMATIC SOCIETY (MADS)

Appearances can be deceptive, and in fact a lot has been happening at MADS during the summer. The Drama Room has been re-organised (it is now possible for three people to stand in it without touching anyone or anything else), the Autumn play has been chosen, and cast, and rehearsals will begin very shortly. That's all we're prepared to say at present, but we can reveal that the production will introduce a Brand New Director!

What is more, the two one-act plays ('The Annotator' and 'Handles' both by Adrienne Howell), which were entered with such dazzling success in the Codford Woolstore Theatre One-Act play festival (we took virtually all the prizes) will be performed again during the Literary Festival Week (October 12th-18th). So if you missed the open dress

rehearsal in May, or if you didn't, here is your chance to see the prizewinning performances again. Look for the dates in the Lit. Fest. programmes, which will be available shortly.

FRIENDS OF FIVES COURT

In case you've missed the posters, The Friends of Fives Court are pleased to tell everyone that they are holding their famous **Autumn Fair on Saturday 5th September at 2.00pm**. at Fives Court. The event will be opened by Lady Patricia Talbot, the Vice-President of the British Association of the Sovereign Military Hospitallers Order of St. John, who is also the President of The Friends of Fives. We shall be announcing details of a garden project at Fives Court for which The Friends are undertaking to raise the funds.

So we hope that we will have the usual heart-warming support from Mere Residents that we have enjoyed for the past five years. This means not only that we hope to see you on the day, but that you will help us as generously as you can with things to sell such as cakes, sweets, plants, garden produce, preserves and things in bottles and jars that we can add to our Tombola hoard. There is an enormous box in the porch at Fives Court where donations of all kinds will be very gratefully received. As a new attraction this year, we are holding a **Fancy Dress competition** for the **under 10s** which Lady Talbot will judge at 3.0pm. There will be prizes! We hope to see you there.

MERE CROQUET CLUB

By the time that this is published we will be entering our last few active weeks, bringing to an end what has been, in spite of the BBQ summer that never materialised, a most enjoyable and successful season. Attendances have been good and members enthusiasm, as well as their prowess, have significantly improved week by week.

Chairman Julian Mackie and Greenkeeper Ian MacDermott have, between them, maintained the ground throughout. They have done a magnificent job for which members are unanimous in their thanks and appreciation.

On 15th August, we entertained the Lytes Cary Croquet Club, which proved to be a most enjoyable occasion. Teas, and a heaving table of sandwiches, scones, cakes etc. were provided by our lady members and organised by Margot Boyes. They did a tremendous job. Our thanks to them and to Richard Norris, for so efficiently masterminding the event.

August Bank Holiday will see a Barbeque for members organised by Phillipa Mackie. This should be great fun. Fingers are crossed for a fine day.

There is no closing date for the season, play will go on until the weather deteriorates. Last year this was well into October. Until that time visitors who fancy "having a go" will always be most welcome. Saturday or Sunday afternoons are normally good days to come along, but you can always ring me at the number below to check beforehand.

MERE SCHOOL

July 2009

On a Monday in June Mere Pool opened to the public and loads of people now enjoy the pool. The school has been using the pool and enjoying their lessons. Thank you to

'The Friends of Mere School' for paying for this. We are having a great time and learning a lot.

In June, the dance club performed a dance assembly. Mandy, a professional dancer, has been working with the group all term. She is very busy in London but will run another club next term.

On 8th July, some of our older children were lucky enough to go to London and see 'The Lion King' at the Lyceum Theatre. It was a fantastic trip and we are all hoping we can go to London to see another show.

Every year the Year 6 children leave the school for their new lives at secondary school. This year we will be saying goodbye to a very talented, helpful and caring class and they will be putting on a special assembly the day they leave. We will miss them! They all visited Gillingham School earlier this term. They enjoyed it, but got lost at times. Purple class will be having a special barbecue at the end of term – yum, yum!

Last year Miss Humphries worked in purple class. She is now a qualified teacher and she will be replacing Mrs Warmington at the end of term. We are all very excited about this, but will miss Mrs Warmington.

Some of our Year 5 children helped to open the new cricket pitch. They put on their sports kit and had a photograph taken by the newspaper.

Silver and yellow classes had a visit to the Weymouth Sealife Centre. They had lots of fun and learnt about different fish and sharks.

Hagbane's Doom is the final show that Year 6 will be putting on. It is due to take place on Tuesday 14th July. It is very funny, scary and sad.

We are about to have our 'Special Person to Lunch' when we can invite a visitor to eat lunch with us.

Our Year 4 and 5 rounders team took part in a tournament at Gillingham School. They did not win but represented the school very well.

Mr Walker and a group of brass players and the recorder players in Year 3 played to the school and their mums and dads. It was really funny and the music was good.

We had a special day yesterday – it was African day. We were very lucky to have an African dancer and drummer and we were involved in many fun activities.

Next week red class are going to visit the '@Bristol' Science Museum - a fun place to learn. Red class have also had a football coach called Matt to work with them.

They played all sorts of games. Mrs Carter also came into school to help us improve our athletics.

The Friends will be holding their summer fete next week. We hope to raise money for a new trolley of laptop computers. Let's hope the sun shines!

We are looking forward to carnival day next week. The whole school will be making masks so that they can wear them in the afternoon procession.

Blue and gold classes have both visited Stourhead this term. They looked for mini beasts, did some pond dipping and had a quiz.

We hope you all have a lovely summer holiday and we will write again in September.

FR BEDE, THE ROMAN CATHOLIC CHURCH MINISTER, WRITES:

The Late Fr Bede Rowe

As anyone who knows me will readily tell you, I am not the most punctual of people. It is ironic really, as I have clocks all around the presbytery which mysteriously tell the exact time by the use of radio waves. I have no idea how they work, and my life is far too short to find out. Suffice it to say that I know when I am late, to the exact second. In theory, it should help me be on time, but so far... well no.

Warminster Community Radio broadcasts live during the summer, and I had agreed to do the 'God-slot' for a week. It began at 10.22am. Well... in theory that is when it began. On the first morning the young chap telephoned me to check that I knew that I had agreed to do it. The conversation went like this.

Young chap: "Fr Bede, do you remember that you're doing the 'Thought for the Day' this week?"

Fr Bede: *(desperately trying to remember what it was that he had said he was doing)* "Yes, it begins today doesn't it? What time do you want me?"

Young chap: "Three minutes time."

Fr Bede *silence* "Hmmm, three minutes you say? I'll be there in four."

And so I was, with a 'Thought for the Day' which owed more to desperation than planning. I thought it was rather good.

A few days before one of my parishioners had died at the age of 81. She had felt fine but was getting tired easily so went to see the doctor. She was dead within the month. A fine, faith-filled death. She had the chance to say her goodbyes and prepare her soul. But who would have thought that it would have been quite so sudden, from being full of life, to passing from it.

That was what my 'Thought for the Day' was about. You do not know what is round the corner. It may be a telephone call from a young chap telling you that you should be on the radio, or it could be news from the Doctor.

Now is the moment that you are alive.

Now is the moment to do something extraordinary for God.

Tomorrow is all well and good if you wake up to see it. It is not of much use if you wake to see the eternal judgement seat of Almighty God, and you had intended to do so many good things, but never got round to them!

Live for today! (*... and don't complain too much if I'm late*)

A TRIBUTE TO JOHN BURDEN FROM HIS FRIENDS AT THE MERE UNITED REFORMED CHURCH.

John grew up in the Congregational Church, he was a deacon and the longest serving Elder in the U.R.C.

John was the treasurer for 35 years then he headed the property committee, this covered not only the Church fabric, but also the rented properties of which there were five or six.

He was a valued member of the choir; he was a gentlemanly courteous man at all times, and before ill health was always at the end the telephone to help or advise with problems, even providing plastic sheeting to keep the Church warm in the winter.

John worked quietly in the background, however at the garden party (later called the summer sale) he came into his own, erecting stalls and supplying most wonderful flowers and plants for the sale.

He was always concerned when anyone was ill, he was kind and caring and we shall miss him.

THANK YOU JOHN
